## OCTOBER TWILIGHT.

I.  
The moon a lake of silver in the east,  
O'erflowing all the dewy mist wreath-  
ed fields;  
One star attends the queen's Lucul-  
lian feast,  
And to her sovereign true allegiance  
yields;  
Weird through the wood the screech-  
owl's shivering call,  
Where tears of gold, the autumn's  
penance, fall.

II.  
On toward the west the wild duck's  
swift retreat,  
With whirling wings in close and  
clamorous rush;  
The chirp of cricket, sleep, low and  
sweet—  
And summer's harp-strings loosed and  
all ahush.

III.  
The scent of wild grapes in the au-  
tumn world,  
And rows of corn, like soldiers, line  
on line;  
Along the west a thread of sunset's  
gold,  
And dappled water purpling in 'o wine.

## INCREASE SUPPLY OF COAL CARS

### Agree on Plan For Distributing Coal to Places Where Most Needed

(By Associated Press.)  
Washington, Oct. 11.—Orders to in-  
sure an increased supply of coal cars  
and a steady, equitable flow of fuel  
to the railroads have been determined  
upon by the fuel administration.

After a two week's conference with  
coal operators, railroad representa-  
tives and others, the fuel administra-  
tion today announced the first of a  
series of orders to distribute coal on  
a priority basis and regulate the  
movement of coal cars.

The order provides that the Penn-  
sylvania railroad serving about 700  
mines, shall have its needs properly  
taken care of. Similar orders for  
other railroads will be issued, while  
orders for the distribution of com-  
mercial coal, giving preference to the  
government, domestic users, public  
utilities and all commercial organiza-  
tions using coal, in the order named,  
will be given later.

Coal needed for the government  
must not be interfered with and the  
fuel administration intends to care-  
fully for domestic uses and may make  
special priority orders in special  
cases. Munitions plants and firms  
manufacturing necessities of life  
would come into the priority class.

## ROOMS OPEN AS USUAL.

The Red Cross work rooms on  
the second and eighth floors of  
the Murchison National Bank  
Building will be open during the

ed that the attendance of work-  
ers will be heavy.

## PRICES HIGHER MONDAY.

Cigars, Cigarettes and Smoking To-  
bacco Moving Upward.

The management of the local  
branch of the United Cigar store was  
informed today from the New York  
offices of the company that effective  
Monday the price of many of the pop-  
ular brands of cigarettes and tobac-  
co would be increased. However, the  
communication failed to say what the  
new price would be. Cigars have al-  
ready advanced in price.

According to news dispatches sent  
out from Durham, the branch factory  
of the American Tobacco Company  
located there, will put out a smaller  
and charge the same price as hereto-  
fore. Officials of the Liggett-Meyers

### How Old Are You By Your Hair?

You may be thirty in years, but if  
you are bald-headed, gray, or your hair  
is dry, brittle, scraggy and unshin-  
ing, people will surely take you to be  
many years older. There is nothing  
like good-looking hair to help men and  
women to business and social success.

Dandruff is the root of most hair  
troubles. It clogs the scalp pores, rob-  
bing the hair roots of the stimulation  
nature intended, then the hair becomes  
faded, dry, brittle, scraggy looking,  
and finally falls out—never to grow  
again unless the hair root is immedi-  
ately restored to a healthy condition.  
At the first sign of dandruff or any hair  
trouble use Parisian sage. It's a scien-  
tific preparation that supplies all hair  
needs—there is nothing better. It im-  
mediately banishes every trace of  
dandruff and supplies the proper nour-  
ishment to the starved roots, stimulat-  
ing them to grow new hair, thick and  
lustrous. A scalp massage with Paris-  
ian sage is a pure delight, easy to use,  
not sticky or greasy, and delicately  
perfumed—an amber liquid free from  
dangerous lead or sulphur perfectly  
harmless and guaranteed not to color  
or streak the hair. It's preferred by  
"discriminating women" because it  
makes the hair soft, silky, wavy, easy  
to arrange, and appear heavier than it  
really is. A large bottle is not expen-  
sive at any drug store or toilet counter,  
but be sure to get Parisian sage  
(Groux's) for this is always sold with  
money back guarantee. R. R. Bellamy  
will supply you.—Adv't.
