EPISCOPAL BISHOP ASKED TO RESIGN

(By Associated Press.) Salt Lake City, Utah, Oct. 11.—The Right Rev. Paul Jones, bishop of Salt Lake diocese of the Episcopal church, has been asked to resign his position. The demand was made by his council of advice, the vestrymen of St. Paul's church and the dean, wardens and sacristans of St. Mark's cathedral parish last night. In their conviction that Bishop Jones had forfeited his right to be leader of the diocese by his alleged unpatriotic attitude and his membership in associations not in sympathy with the national struggle for human rights and democracy, the vestrymen at two meetings went on record unanimously condemning him for the stand he has taken towards the government of the United States.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know. The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. And by wearing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Advt.

PEACE DISCUSSED IN THE REICHSTAG

Von Kuehlmann's Statement Produces a Flood of Varying Opinions.

(By Associated Press.) Amsterdam, Oct. 11.—During the debate in the Reichstag yesterday, Deputy Conrad Haussmann said that the declaration of Dr. von Kuehlmann, the foreign secretary—that apart from Alsace-Lorraine there is no absolute bar to peace—was tantamount to a definite understanding that Belgium should be given up. "That should be heralded forth to all the nations," the deputy added. Gustav Stresemann, a National Liberal, said he would not oppose a reduction of armaments, but he thought that disarmament hardly was practical politics. Count von Westarp, a Conservative, thought that German's answer to the Pope ought to have made clear to Germany that she was not undertaking to disarm and hoped that von Kuehlmann had not tied himself to yielding up Belgium. George Ledebour, Social Democrat leader, dealt on the damage done to the German cause by the revelations concerning von Luxburg, the German minister to Argentina. He considered that the populations of occupied territory should be permitted to decide their own fate.

Dudley, proprietor of the Dudley Garage, is moving into the North Second street building recently vacated by the Wilmington Taxicab Company, the change of quarters coming as a result of his appointment as distributor for this district of the Ever-Ready storage battery. Mr. Dudley stated this morning that he expected to be in his new quarters by Monday and ready to attend to his trade. Mr. Dudley's garage will not conduct its business in the future as it has in the past, decision having been reached to discontinue the policy of keeping cars for hire and storage space for rent. All kinds of repair work will be done and the storage battery for which he is now distributor for this and several other counties, including Brunswick and Pender, will be pushed.

Godwin Secures Pardon. Paul D. Satchwell, Esq., has succeeded in securing a pardon for O. D. Godwin, white, who has served about one-half of a year's sentence for assault with a deadly weapon. Governor Bickett makes the pardon conditional upon good behavior.

The Two Teams Applauded. Polo Grounds, New York, Oct. 11.—The Chicago White Sox, thrown back by a stinging defeat at the hands of the New York Giants, attempted a counter thrust today on the National League champions in the fourth game of the world's series at the Polo ground battle field. The Giants inspired by a victory over the American League, planned to make it two straight today, and even up the series. Probably 33,000 persons saw the fray.

"We needed that one to get us going," said Captain Herzog, "and more too, the Sox are not so cocky now that they have had the harpoon thrown into them, just when they felt so sure of a walk over." Joe Jackson, the heavy hitting right fielder of the Sox, remarked that the Giants looked better than they did in Chicago, "I told the boys when we were coming East that McGraw's men would play a harder game on the Polo grounds and they would see a different ball club," said Jackson today.

The Giant's manager looked to Sallee or Schupp for the day's artillery work with Herritt held in reserve. Manger Rowland indicated that either Rcb Russell or Red Faber would go on the firing line for the Chicago men.

A showery morning was followed by clearing weather. Overhanging clouds gave way gradually before a fitful wind and the outlook deterred hundreds from making the trip to the ball yard. Some 7,000 fans stretched in a solid line away from the turns when they were opened at 11 o'clock. The playing meadows were fairly fast, the ground keepers having blanketed the diamond and paths last night which shielded them from the rain.

Applause greeted the Giants as they came on the field, Benton and Robertson, heroes of Wednesday's struggle, coming in for added cheers. "Al Baird and Hans Lobert threw up the balls in the early batting practice, Schupp, Sallee, and Herritt took part in the practice. Then Al Demaree began pitching to the Giants and fed the home folks nothing but low balls. No whit disconcerted by yesterday's defeat the Chicago fans gave their club a rousing cheer as the Sox walked across the field with Joe Benz leading. "There is plenty of fight in us," said Eddie Collins. "Watch us today."
