

TO RESIST THE ATTACK

of the germs of many diseases such as Grip, Malaria, means for all of us to fight or die. These germs are everywhere in the air we breathe. The odds are in favor of the blood impure.

What is needed most is an increase in the germ-fighting strength. To do this successfully you need to put on healthy flesh, rouse the liver to vigorous action, so it will throw off these germs, and purify the blood so that there will be no "weak spots" or soil for germ-growth.

We claim for Dr. Pierce's Golden Medical Discovery that it does all this in a way peculiar to "man's" nature.

It cures troubles caused by torpid liver or impure blood. This herbal tonic is made up in liquid or tablet form and can be obtained in any drug store in the United States. It contains no alcohol or narcotic, and its ingredients are printed on the wrapper.

Write Dr. Pierce, President, Invalids Hotel and Surgical Institute, Buffalo, N. Y., and send 10 cents for trial package of tablets.

BYRNE, TENN.—"I have used Dr. Pierce's Medicines in my family and find them to be the greatest medicines known for the diseases of the human race. The 'Golden Medical Discovery' is the greatest medicine I ever used for 'man's' nerves, the greatest liver medicine known in this country; good for diarrhea. I know this medicine is good for the above complaints for I have used it for them.

"I will answer any inquiry from any sick person and gladly tell what this wonderful medicine has done for me."

NATHAN CARROLL, Route 2.

SYLACAUGA, ALA.—"This is a true statement as to the value of Dr. Pierce's Medicines. I used one of his great remedies in my own family with good results, namely, 'Golden Medical Discovery,' and found it to be all it is claimed to be. There is no medicine that will come as near doing what it is claimed for. I have no praise too high for it."

THEATRE

Manager Bailey of the Academy of Music has secured a large company of native Hawaiians for a visit to this city for tonight. The company is composed of real Hawaiians who are recognized as the most popular artists of the day. The organization presents a Hawaiian musical satire in two parts. The first part shows the beautiful tropical beach at Waikiki also showing the famous Diamond Head Mountain with its volcano with real smoke issuing therefrom.

Members of the company represent Hawaii's most famous instrumentalists, singers and dancers. Five members of the organization come direct from the Royal Palace, Honolulu, where they have been entertainers for the Dowager Queen.

Mr. M. R. Bell, a native Hawaiian, is conductor of the organization, and is recognized as king of the steel instrument and the Hawaiian flute.

Princess Leihula, who is a member of the company, bears the distinction of coming from one of the royal families of the islands. She is creating much favorable comment in presenting native Hawaiian dances. There is nothing suggestive that could possibly cause any criticism in the dances as presented by the Princess, as the real Hawaiian dances are of such a character that many of the so-called interpretations of the dances given by artists are incorrect.

This organization drew immense crowds at the Palace of Music at the Panama Pacific International Exposition, and from the great patronage and appreciation shown in other cities their visit here will no doubt be greeted by a packed house.

The prices will be from 50 cents to \$1. First four rows, \$1.50. (War Tax extra). Tickets are now on sale at Elvington's.

In the big motion picture production, "Fighting Odds," written by Roy Cooper Megrue and Irvin S. Cobb, which is presented as the attraction at the Grand today and tomorrow, Goldwyn Pictures has brought back to American audiences the international favorite and famed beauty, Maxine Elliott, who is making her first appearance as a screen star.

Maxine Elliott has not been seen on the stage in several years. In resuming dramatic work as a star in motion pictures she has been appropriately equipped with a role which makes demands upon her emotional talents. In emotional possibilities it surpasses anything she has hitherto attempted.

"Fighting Odds" tells a story of big business ventures in the automobile industry. Miss Elliott is seen as the wife of a millionaire manufacturer, a beautiful and loyal woman, who, by her wit and her loveliness, brings his powerful enemies to account.

A TREAT PROMISED.

All you've got to do to become confirmed Royal fans for the balance of this week is to give those photos in the lobby the once over. It's the dandiest appearing show that has been here in a long time and will live up to its appearance when you see its performance.

It's a show that is good all the way through—not a good specialty team and then an awful slump by the rest of the company. James Arnold and his Northland Beauties is the attraction.

GOOD HEALTH

Mrs. M. Doggett 912 N. Tryon
Street Charlotte Relates
Her Experience.

Many of our citizens have found quick deliverance from their sufferings by the use of Peplac, the vegetable stomach tonic, composed of a combination of nature's remedies, roots, herbs, barks and berries, that are essential to health. That is why it regenerates the blood supply, overcomes rheumatism, eliminates catarrh and puts the stomach in condition to digest the food properly.

That this is proven conclusively it is only necessary for one to read the statements made daily by local people, as well as those throughout the entire State of North Carolina. People who have given Peplac a fair trial. One of these recent testimonials was from Mrs. M. Doggett, of 912 N. Tryon Street, and who for the past twenty years has been a resident of Charlotte, and is a very highly respected and popular lady.

"I would not be back where I was a few weeks ago for any money. I had suffered with dull headaches, stomach trouble and for years was very nervous. My stomach pained me and my food did not digest. I would force myself to eat, as I had no appetite. I could not sleep but roll and toss for hours and be as tired in the mornings as when I retired. A friend of mine recommended Peplac, and I want to state that it is just as it is recommended. The first few doses relieved me of stomach trouble and I just feel that if I continue with the treatment, I will get entirely cured. I now sleep all night, have a good appetite and my food does not distress me. In fact I feel strong and in better health than I have for years. I cheerfully recommend Peplac to others."

Peplac is sold at the R. R. Bellamy Drug Store and at all other first class drug stores in Wilmington and neighboring towns. Buy a bottle today it will do what is claimed for it—adv.

"I'm, and it carries six of the dandiest, gingery chorus girls seen on the Royal stage this season. They're full of pep, all the time on the go, and what is better still, they are really talented—a half dozen that Mr. Arnold has had with him since leaving New York in the early fall, and who are well up on their parts.

Other featured attractions with this show include Billy Kelly, a yodeler who is said to surpass anything ever heard in the South before. There is a chorus of a half dozen of the best looking girls ever seen at the Royal, and all special scenery. The opening bill will be "My Wife's Husband," a brand new bill. Monday and Tuesday comes "The Secret Kingdom" on the screen; Wednesday and Thursday the sixth chapter of "The Girl Reporters," and Friday and Saturday the seventh chapter.

DO YOUR SHOPPING AND SHIP
PING EARLY.

More of "Our Boys" will be away from Home and Family this year at Christmas time than ever before in our history.

On account of the enormous volume of War Materials and supplies, in addition to the usual large movement of Holiday shipments, it will require from now on every available baggage, mail and express car that can be put into service.

To help the situation and to insure Christmas packages reaching their destination on time and thus avoid disappointment the Public is earnestly requested to ship their Christmas packages (whether by mail or express) at least ten (10) days or two weeks before Christmas.

This action will not only be appreciated by the Government, but by the Railroads, whose already heavy burdens they are trying to carry with promptness and dispatch.
