

SUDAN SHRINERS GET READY FOR CEREMONIAL

Not Afraid to Take Bears to the Bull City Either

(Special to The Dispatch.)
 New Bern, April 20.—Sue and Dan, the big black bears that are being used as mascots for Sudan Temple of the Mystic Shrine, are now being groomed for their visit to Durham next month and when they land in the Bull City there is no doubt but that there will be something doing.
 Dr. J. F. Rhem, the dady of Sudan, has been asked if he doesn't think it unsafe to take the bears to a Bull City, but he points out that in Wall street the bulls and bears mingle and that if it can be done in New York it can be done in Durham. The bears are being taught a number of tricks which will be pulled off for the benefit of the Shriners who visit Durham during the spring ceremonial.
 Not only are the employees in the local shops of the Norfolk Southern Railway Company doing their bit to aid Uncle Sam in the war by purchasing Liberty Loan bonds of the third issue, but the men employed in a number of the saw mills here and a number of the saw mills here and line.

The mill owners are purchasing the bonds and are paying cash for them and are allowing their employees to pay for these on the installment plan.
 Several thousand dollars worth of the bonds have been placed in the past few days.

City and county officers are now keeping a close watch for the Craven county registrars who failed to show up when called for examination recently and as soon as each of these can be located he will be placed under arrest and sent to some training camp.

There are a comparatively small number of these registrars who failed to appear and already a few of them have been taken into custody and sent to camp.
 With the end of the 1917-18 session drawing near, Prof. H. B. Smith, superintendent of the New Bern public schools, states that the term has been the most successful in the history of the schools and that he is well pleased with the results which have been attained.

The attendance has been large and the interest manifest in the school work both by the teachers and the pupils has been greater than ever before and the results which have been accomplished have been very gratifying.

The arrangements for the closing are now being made and the next three or four weeks will be busy ones for the pupils and the teachers.
 According to advices received in New Bern from Morehead City, a larger force of shipbuilders than ever before is now employed in the plant of the North Carolina Shipbuilding Company at that place and marked progress is being made in the construction of the boats being built there.

Just how long it will take to complete these boats and launch them depends upon the success which the builders have in securing men. Recently this has been a proposition and there has been some delay on this account but the work is now moving along rapidly.

POTATO CAMPAIGN OFF WITH A RUSH

(Special to The Dispatch.)
 Raleigh, April 20.—The potato campaign in North Carolina is getting under way with a rush. The County Food Administration at Greensboro reported to Food Administrator Page yesterday that 200 bushels of potatoes were sold at Greensboro Thursday as a result of the campaign and that 500 would be sold Friday as a minimum.
 Col. A. H. Boyden, the energetic food administrator at Salisbury, reported that his merchants in an enthusiastic meeting agreed to take a loss on all potatoes on hand at present and place further orders at reduced prices now prevailing, selling potatoes to consumers at 25 cents a peck. This means that their margins will not amount to cost of handling. "We will sell at cost and charge nothing for handling if Uncle Sam wants us to," was the statement of one spokesman.

PEOPLE NOT TAKING WAR SERIOUS ENOUGH

Should Tell Soldiers That There Will Be Plenty of Supplies

(Special to The Dispatch.)
 Winston-Salem, April 20.—That the people of this country are not taking the war seriously enough is the word of warning that came from the Treasury Department in Washington to State headquarters for War Savings here today. The message in part was: "The thunder of the German guns on the Western front and the victories that they have recently won from the Allies should arouse every citizen of this country as they have never been aroused before. They should feel the importance of the situation that our soldiers now hold."

"Germany is making a gigantic effort to overwhelm the Allies before America gets ready and gets over them in full force. The Kaiser knows that if he gives America time to build up a big war machine that he is lost. The lesson to us is plain. We must hurry. We must not delay nor handicap the plans of the government. We must deny ourselves everything possible that the government shall lack what it needs and must have to win this war. We must do without everything not necessary to our health and efficiency in order to release men and material for making ships, shells, cannons, aeroplanes, rifles, army clothing and machine guns needed by the army at this time to save them from ultimate defeat. More ships, more guns, more guns and ammunition is what the recent losses they have sustained demand of us, and these at the earliest possible moment."

"Our message to the boys at the front at this hour of supreme effort and anxiety should be an unmistakable assurance that they shall not lack anything to prosecute this war to a decisive victory, that our money can buy. We should assure them that guns, ammunition, food and other essentials shall be coming. Our message should be that we will buy War Savings Stamps and Liberty Loan Bonds as we have never bought them before. We will put all of our spare money in government securities. In other words, we will assure them that the war situation is as serious to us over here as to them over there."

WALLACE RED CROSS.

Various Women's Organizations Doing a Great Work.
 (Special to The Dispatch.)
 Wallace, N. C., April 20.—Through the committee appointed by Mrs. Faison Pierce, of Warsaw, the county agent, a large amount of Liberty Bonds are being sold here by the women. Every one is working hard and making sacrifices to make the success. The colored people are strongly organized into a Red Cross auxiliary, and are doing excellent work. Some have attended the Demonstration Club and are carrying out the suggestions and orders received there. The Red Cross Chapter, having been unable to hold its regular monthly meeting last week, the usual time, did so Wednesday of this week. Mr. W. R. Newbury, of Magnolia, the chairman of the County Red Cross Chapter, being present, which was much appreciated and enjoyed. He assisted in the reorganization of the organization. The old officers were re-elected, as follows: Mrs. J. W. Carroll, chairman; Mr. L. N. Boney, vice chairman; Mrs. F. Murphy, treasurer; Miss Charlie Westbrook, secretary. The following directors were elected: Finance, Mr. A. L. McGowan; publicity, Mrs. J. N. Southernland; military relief, Mrs. F. P. Powers; civilian relief, Mrs. Jas. A. Cavanaugh; woman's work, Mrs. J. W. Carroll; Red Cross instruction, Mrs. R. J. Potter, who holds the office for the county. Under the director of finance was elected a ways and means committee, of which Miss Lillie Carter was made chairman. The message from the county Red Cross executive committee, which was called together by the chairman Monday, at Warsaw, was delivered. That every day, as the 12 o'clock whistle sounds, everyone would bow in prayer for a few minutes, praying for our nation, soldiers and sailors.

Wednesday afternoon, in the Red Cross work room, there was held a meeting of the Wallace Demonstration Club, the president, Mrs. F. P. Powers, presiding. Miss Lucy Cobb, county demonstrator, demonstrated with "war breads," each instance turning out a success. This was a much needed demonstration, and was enjoyed by all. There was a large audience.

Miss Cobb, accompanied by Mr. W. R. Newbury, chairman of the Duplin Red Cross Chapter, left immediately afterwards for Ward's School House, a few miles west of Wallace, both to participate in a patriotic meeting.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a course of internal remedy. Catarrhal Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of the ears, and when it is entirely closed Deafness is the result. Unless the inflammation can be reached and the tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface of the Eustachian Tube. Hall's Catarrh Medicine acts thru the blood to the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, or write to J. J. CHENEY & CO., Toledo, O.

Intercollegiate Boat Races.
 New York, April 20.—The season of intercollegiate boat races which starts today promises to furnish some interesting competitions, notwithstanding the fact that the customary program followed in previous years has necessarily undergone important modifications because of war conditions. The Poughkeepsie regatta, abandoned last year on account of the war, will be missing from the list again this year, but in other events of the next two months many of the big Eastern varsity crews will try conclusions. Ushering in the season today are the races between the Pennsylvania and Navy crews on the Severn river, at Annapolis. On Lake Carnegie, at Princeton, the Princeton freshmen will row against the crew of the Central High School of Philadelphia.

To Consider Case of Mrs. Stokes.
 Kansas City, Mo., April 20.—The case of Mrs. Rose Pastor Stokes, the New York Socialist leader, who was recently arrested on a charge of violating the espionage act, is expected to be laid before the Federal grand jury which convenes here Monday. The charges against Mrs. Stokes are based on alleged statements delivered in Kansas City and nearby towns and upon a signed communication sent to a newspaper in which she declared that "no government that is for the profane can be for the people and I am for the people." Since her arrest several weeks ago Mrs. Stokes has been at Liberty under a \$10,000 bond furnished by her husband, J. G. Phelps Stokes, of New York.

Women of Russia were wont to live in Asiatic seclusion until the time of Peter the Great, who decreed that they move about freely in the European fashion.

Recruiting for Y. M. C. A.
 New York, April 27.—To satisfy the needs of the United States government and added requests from France and Italy for workers to provide recreation and keep up the morale of the fighting forces the Y. M. C. A. must add to its field forces at least 1,000 men a month to act as hut secretaries and physical directors. To help recruit the men for this service a big mass meeting is to be held at the Metropolitan Opera House tomorrow afternoon under the auspices of the National War Work Council of the Y. M. C. A. Governor Whitman is to preside at the meeting and Harry Lauder, the famous Scotch comedian, is to make the principal address.

New York, April 20.—Because so many of its members are now actively engaged in the promotion of the third Liberty Loan, it has been decided to postpone the spring meeting of the executive council of the American Bankers' Association, which was to have assembled at Hot Springs, Ark., next week. By referendum vote it has been decided to defer the meeting until the second week of May.
