SOLDIER, COME BACK CLEAN.
This is the song for the soldier
To sing as he hides from home
To the fields afar where the battles
are.

Or over the ocean's foam,
"Whatever the dangers waiting
in the lands I have not seen,
If I do not fall—if I come back
all, Then I will come back clean."

"I may lie in the mud of the
trenches,
I may weep with blood and mire,
But I will control, by the God of my
soul,
The might of my man's desire.
I will fight my foe in the open,
But my sword shall be sharp and
keen,
For the foe within who would lure
me to sin,
And I will come back clean."

"I may not leave for my children
Brave medals that I have worn,
But the blood of my veins shall leave
No stains
On bride or on babes unborn.
And the scars that my body may carry
Shall not be from deeds obscene,
For my will shall say to the best—
obey!
And I will come back clean."

"Oh, not on the fields of slaughter
And not in the prison cell,
Or in hunger and cold is the story
told
By war of its darkest hell.
But the old, old sin of the senses,
Can tell what that word may mean
To the soldiers' wives and to innocent
lives.
And I will come back clean."

school for girls, located at Salem-

It is non-denominational and is
maintained for service to young la-
dies.

The management consented to
a musical quartet, composed of its
young ladies to visit Wilmington,
and sing at the morning, afternoon
and night services, Sunday, at the
Southside Baptist church, but while

gentlemen, who have heard this quartet,

aging directress of the school and

Farm Women's Convention, which is

Department, has consented to let

ceeds of the concert will be given

DR. CLARENCE POE SPEAKS IN NEW BERN

**Craven Schools Praised—Eat-
ing Potatoes and Raising
Another Crop**

(Special to The Dispatch.)
New Bern, April 22—That Craven
county has some of the most progres-
sive schools that there is in the State
is the opinion of Dr. Clarence Poe,
who delivered the principal address
at the Craven county schools com-
mencement which was held in this
city Friday and which proved to be
a success despite the inclemency of
the weather. Dr. Poe stated that he
had kept in touch with the progress
of the schools in Craven and that he
had noted that they were always the
first to adopt progressive innovations
and that they had made enviable pro-
gress along all lines. He praised the
spirit of the teachers and the pupils
and declared that the eyes of the peo-
ple of the State were turned on this
county and were watching the progress
being made.

Craven county people, especially
those in New Bern, are answering
the call of the State Food Administra-
tion and are buying and eating pota-
toes in large quantities and are help-
ing reduce the surplus crop which is
reported in the State. A large
amount of this surplus crop is held
in this section in fact a larger
amount of the potatoes grown in
North Carolina during the past sea-
son came from the farmers in Eastern
North Carolina and the farmers are
anxious to dispose of these before the
new crop begins to come on, which
will be in the course of a very few
weeks. At hotels and boarding houses
potatoes are being served in al-
most every style and at almost every
meal and it is believed that the course
of the next two weeks will find thou-
sands of bushels of these having been
consumed by the public and the good
work of cutting down this surplus
carried out to a successful culmination.

Not only will the Eastern section
of North Carolina produce a record
breaking crop of Irish potatoes dur-
ing the present season but it is said
that the production of the lowly cab-

bage will also be far greater than ever
before and thousands of crates of
these will be going to the North very
soon as well as being placed on the
local markets for disposal. The in-
dications are that the early cabbage
will command an unusually good price
on the Northern markets and all of
the truck growers have planted a
good part of their acreage in this
food product and expect a record
yield.

MILITARY TAKES OVER IRISH RAILWAYS

London, April 22.—The military au-
thorities have taken over control of

offices and telephone exchanges, ac-
cording to the correspondent at Cork
of the Daily Chronicle. It is added
that the police on Saturday removed
all arms and ammunition from gun-
smith shops in Dublin, where it is
reported that similar action will be
taken throughout Ireland.

Killed by Poisons

All scientists agree that poisonous
products in the blood are eliminated by
the kidneys and liver. The kidneys act
as a kind of filter for these products.
When the kidneys are changed or de-
generated, by disease or old age, then
these poisons are retained in the body.
If we wish to prevent old age coming
on too soon, or if we want to increase
our chances for a long life, Dr. Pierce of
the Invalids' Hotel, Buffalo, N. Y., says
that you should drink plenty of water
daily between meals to flush the kidneys.
Then procure at your nearest drug store
Anuric. This Anuric drives the uric acid
out. Scientists have learned that in
gonorrhea, rheumatism, poisonous uric
acid crystals are deposited in or about
the joints, in the muscles—where in-
flammation is set up.
If we wish to keep our kidneys in the
best condition a diet of milk and vege-
tables, with only little meat once a day,
is the most suitable. Drink plenty of pure
water, take Anuric three times a day for
a month. Anuric is many times more
potent than lithia and dissolves uric
acid as hot water does sugar.
Send 10 cents to Dr. Pierce, if you wish
to obtain a trial package of Anuric.
CLIFTON, TENN.—I wish to say that
I suffered from backache and kidney
trouble for some time. I could hardly
do any kind of work. I heard of Dr.
Pierce's Anuric Tablets so I tried them,
and they cured my backache and kidney
trouble. I am now well and able to do
my work. I will not fail to benefit.
—MISS EMERINE RUTH MOSER, R. F. D. 2.
MILTON, N. C.—I suffered very much
with my back and limbs. Had some de-
generation of the kidneys but after using
Anuric obtained relief and have had
no trouble since. I heartily recommend
the Anuric Tablets to all who suffer from
too much uric acid in the system.—CAPT.
W. G. GAVES.

Men Welcome Mother's Friend

A Duty that Every Man Owing to Those
who Perpetrate the Race.

It is just as important that men should
know of proper methods in advance of moth-
erhood. Suffering, pain and distress in-
cident to childbirth are avoided by having
at hand a bottle of the time-honored prepa-
ration, Mother's Friend. This is a pen-
etrating external application that relieves the
tension upon the muscles and enables them
to expand without painful strain upon the
ligaments and nerves.
Thousands of women for over half a cen-
tury who have used Mother's Friend tell
how they entirely avoided nervous spells
and nausea and preserved a bright, happy
disposition that reflects wonderfully upon
the character and disposition of the little one
soon to open its eyes in bewilderment at
the joy of his arrival.
By regular use of Mother's Friend during
the period the muscles are made by hav-
ing a soft and elastic. They expand easier when
baby arrives, and pain and danger at the crisis
is naturally less.
You can obtain Mother's Friend at any
drug store. It is for external use only, is
absolutely safe and wonderfully effective.
