

FORWARD MOVEMENT ALL ALONG THE LINE IN BOTH DIVISIONS

Great 250,000 Special Vote Offer For Each \$25 in New or Renewal Subscriptions Causes Participants to Mobilize Each Candidate in Dispatch Campaign Will Display Great Effort This Week—Vote Standings Published Again Today

The greatest inducement of the campaign has been announced, and judging from the activity displayed during the first day that the special offer was in effect this week will be the banner one so far of the campaign for The Dispatch to receive remittances from the different participants for subscriptions. This should be the case because the special vote offer is absolutely the most liberal one of the entire campaign, and never again during the future weeks of the campaign will as many votes be issued upon subscriptions as now.

The special vote offer. The special vote is good for this week up to and inclusive of Saturday, June 15th, an offer each \$25 remitted in new or renewal subscriptions either by mail or carrier to any point outside of Wilmington. The Dispatch in addition to the regular votes will issue new participant 250,000 extra votes, and for each \$12.50 remitted in either new or renewal subscriptions 125,000 extra votes in addition to the regular votes will be issued. This special vote offer is absolutely the great bargain offer of the campaign and each candidate should secure as many clubs of subscriptions of \$25 that is possible to secure. This also applies to prospective candidates and they should begin to display activity this week and realize to the greatest extent upon the present special vote offer. So do not forget the time is now, the place any point outside of Wilmington, and the girls are everyone who is directly interested or their friends in the New Era Circulation Campaign of The Dispatch.

Notice Vote Standing Today. The vote standing of the various participants are announced again today, and by careful perusal of the list there will be noticed that votes are increasing rapidly. The Dispatch has never witnessed such a display of interest and co-operation not alone by the candidates but their friends as well. With each incoming mail to Wilmington The Dispatch is completely swamped with letters containing the coupons clipped from the paper with request to place to the credit of some candidate. Do not get away entering the campaign, and opportunity is good as long as it lasts, and this opportunity to secure a Studebaker Six or a Chevrolet touring car or one of the many other costly and valuable awards will not last long, so begin now while the time is ripe and send your nomination to The Dispatch immediately; in other words, enroll today.
