### Y. W. C. A. DIRECTORS MEET.

The regular monthly meeting of the board of directors of the Y. W. C. A. was held at the association building at 10:30 o'clock on yesterday morning. The meeting opened with devotional exercises conducted by Mrs. J. V. Grainger. The roll call was responded to by the following members: President, Mrs. C. C. Covington; secretary, Mrs. W. G. James; Mesdames J. V. Grainger, Robert Ruark, J. T. Runge, H. L. Vollers, J. V. Sidbury, W. H. Peberton, M. W. Stover, W. H. Sprunt, and Misses Elizabeth Halls and Blanche Parsley.

Mrs. Milton Pittman's resignation was accepted with regret. The report of the departments showed the association to be in a healthy condition. There were 48 lessons given in the gym with an enrollment of 87. Miss Byrne, the physical director, has left for her home and the classes discontinued for the summer months. The piano will be moved from the gym to the annex for the enjoyment of the residents there.

The treasurer reported \$1,200 in the bank and no outstanding bills, which indicate good management.

### House Committee.

The house committee reported a balance of \$39.90 to the credit of the main building and \$22.34 for the annex. Every room is now filled at the association building and one vacancy at the annex.

There were served 2,934 meals during May to 37 regular boarders and four transients.

### To Entertain Soldiers.

The per ETAOIN SHRDL with permission again granted to the soldiers to visit Wilmington the entertainment of them will again be undertaken by the Y. W. C. A. through the central committee of its war council at the Y. M. C. A. on Saturday afternoons from 4:30 to 6:30.

A committee was appointed to furnish entertainments of music at the fort "Y" on Sunday afternoons. This was done at the suggestion of Mr. Price, the assistant secretary at the post.

### War Worker to Be Sent to Wilmington

Miss McGeorge, field secretary of the South Atlantic states, has notified the president that a war worker will be sent to Wilmington whose expenses will be paid from the Y. W. C. A. war fund. This is encouraging news and will be of special interest to those in touch with the conditions here, and comes at a time when it will most be needed, as with the increased population certain problems will arise which should be solved by trained and experienced workers.

### Blue Ridge.

Folders were distributed containing information about the work at Blue Ridge and an invitation extended to each member of the board to attend this summer school and conference of Y. W. C. A. workers.

### Rules and Regulations of Association.

The house committee, at the instance of the board of directors, will have the rules and regulations of the association building printed and hung in the main hall and also on the door of each room, so that the rules will be in evidence at all times.

One requirement for every resident in the building will be that membership in the association will be compulsory for a resident. Each resident will also be required to attend church at least once on Sundays unless prevented on account of illness.

This institution is a Christian home for women supported by the community and stands for those things that will bring young women into a closer and vital more vital relationship with Jesus Christ, and the board is firm in

its decision that it is essential for those under its protecting roof to attend Divine services on Sunday and that the daily vesper service shall be a part of its Christian home life.

### The General Secretary.

Miss Davidson, the secretary, who has been engaged to take the place of general secretary, will arrive in the city about the first of August. She has notified the president that it will be necessary for her to take this needed rest before taking up her duties here. She comes very highly recommended and her coming will relieve the house secretary, Miss McLean, who is now acting in capacity of both house secretary and general secretary, each one in itself a whole-time position.

### Wrightsville Breezes

Already picnic parties are wending their way to the beach and seldom a day passes that the members of several families do not spread a repast on the tables provided for this purpose at Lumina.

Enlisted men will not be required to pay Lumina admission, the uniform coming in for its share of the honor on the beach as elsewhere, it was announced last night by officials of the Tidewater Power company.

Director Elam's cornet solo during the supper hour at the Oceanic was greeted vociferously last night and from the handclapping one would have imagined that the lobby was crowded.

Oceanic hotel arrivals yesterday included: E. B. Gurlley, Richmond, Va.; J. L. Hodgson, Atlanta; M. N. Griffin, Z. A. Stanfield and J. Wistor, Philadelphia; E. P. Meredith, Taboro; Mr. and Mrs. S. P. Rees, Pitts-

burgh; John J. Haar, Philadelphia; A. W. Jones, Atlanta; John E. Weyber, Kingston; Mr. and Mrs. J. E. Gunter, Macon, Ga.; Mr. and Mrs. C. D. McAlister, Chattanooga, Tenn.; C. S. Kooner, Charlotte; A. E. Shales, Greenwood, S. C.; W. F. Stieglitz, F. C. Wyeo, G. H. White, F. G. Swafford, Columbia, S. C.; W. C. Bridger, Columbus, Ga.; W. Livingston, S. H. Smith, Jr., and P. H. Smidt, Atlanta; W. E. Pospelch, Atlanta; J. C. Deonell, Washington, D. C.; Paul Quatlebaum, Conway, S. C.

Through the kind offer of Manager Hooper, of the Oceanic hotel, and officials of the Tidewater company and others connected with the hotel property, the dancing pavilion at the Oceanic has been turned over to the Red Cross to be used as a work room. The work will be in charge of Mrs. Philip Shannon and Miss Alice Walker will be supervisor. The hours are from 9:30 to 1, daily, and the room is open for workers both of the city and the beach colony, and visitors will find a welcome. The ladies of the Red Cross express the greatest appreciation of the generous offer of Mr. Hooper and others, who have made possible the securing of this splendid and comfortable place for a work room, where the work may be carried on under the best conditions, despite the heat of the summer.

The full Lumina band will play at the Seashore hotel, Wrightsville Beach, every Friday, from 11 to 1. The public is invited. The regular Seashore orchestra will play each day during meal hours, noon and evening.

To aid in increased food production, the members of the Denver women's club have offered to plow any vacant lot in the city on condition that the owner will plant crops for chicken feed.
