A 15-minute picture that is bigger than the ordinary five reel picture, with interest, is the Physical Culture reel to be shown at Lumina tonight, wherein 20 of the world's most beautiful women enact a series of dances and exercises to show how to develop and maintain "the body beautiful." It is the first of a series that will be presented every two or three weeks. "The Fable of the Girl Who Took Notes" is the latest of the George Ade fables in slang, in two reels, also an attraction tonight on the screen over the waves.
