"A friend was down with LaGrippe and nearly crazed with awful backache. I gave her one Anti-Pain Pill and left another for her to take. They helped her right away, and she says she will never be without them again."

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

Paxtine  
ANTISEPTIC

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.

## From 40 to 50 Woman's Critical Period.

Such warning symptoms as sense of suffocation, hot flashes, severe headaches, melancholia, dread of impending evil, palpitation of the heart, irregularity, constipation and dizziness are promptly treated by intelligent women who are approaching the period of life.

This is the most critical period of woman's life and she who neglects the care of her health at this time invites incurable disease and pain. Why not be guided by the experience of others and take Lydia E. Pinkham's Vegetable Compound? It is an indisputable fact that this grand old remedy has helped thousands of women to pass through this trying period with comfort and safety. Thousands of genuine and honest testimonials support this fact.

### From Mrs. HENRY HEAVILIN, Cadiz, Ohio.

Fort Worth, Texas.—"I have taken Lydia E. Pinkham's Vegetable Compound and derived great benefit from its use. It carried me safely through the Change of Life when I was in bad health. I had that all gone feeling most of the time, and headache constantly. I was very nervous and the hot flashes were very bad. I had tried other remedies and doctors, but did not improve until I began taking Lydia E. Pinkham's Vegetable Compound. It has now been sometime since I took the Compound and I have had no return of my old complaints. I always praise your remedies to weak women."—Mrs. HENRY HEAVILIN, R. F. D. No. 5, Cadiz, Ohio.

### From Mrs. EDWARD B. HILBERT, Fleetwood, Pa.

Fleetwood, Pa.—"During the Change of Life I was hardly able to be around at all. I always had a headache and I was so dizzy and nervous that I had no rest at night. The flashes of heat were so bad sometimes that I did not know what to do.

"One day a friend advised me to take Lydia E. Pinkham's Vegetable Compound and it made me a strong, well woman. I am very thankful that I followed my friend's advice, and I shall recommend it as long as I live. Before I took the Compound I was always sickly and now I have not had medicine from a doctor for years. You may publish my letter."—Mrs. EDWARD B. HILBERT, Fleetwood, Pa.

### From Mrs. F. P. MULLENDORE, Munford, Ala.

Munford, Ala.—"I was so weak and nervous while passing through the Change of Life that I could hardly live. My husband had to nail rubber on all the gates for I could not stand to have a gate slam.

"I also had backache and a fullness in my stomach. I noticed that Lydia E. Pinkham's Vegetable Compound was advertised for such cases and I sent and got a bottle. It did me so much good that I kept on taking it and found it to be all you claim. I recommend it to all women afflicted as I was."—Mrs. F. P. MULLENDORE, Munford, Ala.
