ANNOUNCEMENT

Every Wednesday evening during Lent, Litany and sermon at 7:30 p. m.

BY REV. NORVIN C. DUNCAN

The season of Lent began Ash Wednesday, Feb. 10. The name comes from an Anglo-Saxon word which means Spring, so called because it comes in the Spring of the year. Ash Wednesday gets its name from an old custom of sprinkling ashes on the heads of penitents. The season of Lent commemorates the forty days of fasting which our Lord endured in the wilderness. In commemoration of His fasting the Church appoints this as a season of self-denial, and discipline of the fleshly appetites. It is an emphasis on the normal life of a Church member. Formerly only the Roman Catholic, Episcopal, Eastern and Lutheran Churches observed Lent, but in most places all communions now are observing it.

The conditions of the world at present make the Lenten message and observance of special significance. The whole world is facing the breakdown of its material structure, and is turning once more to seeking spiritual values. We have discovered that it is very true that we may gain the world and lose our soul. The things in which we trusted have failed us. We are finding that when we eat, drink, and be merry, and forget our souls, we do die. Lent is a call to the realization that "man does not live by bread alone." It is a challenge to LIVE by those principles which we profess with our lips. The only way to discover the meaning of the Wilderness way which He trod, is to follow along that way with Him.

Baptist Church Notes

By REV. EUGENE R. ELLER

The Sunday school of the Baptist church will meet at 9:45 o'clock Sunday morning and the preaching service will be at 11. The subject for the morning will be, "Seven Reasons Why We Do Not Win More Souls to Christ." We are thankful for the fine attendance we are having. Last Sunday we had 203 in the morning service and 207 in the evening service.

The Sunday school had 310 present. We trust those who are working so faithfully in the Sunday school will keep it up. We should have an average of more than 300 each Sunday. The people are here if we will only keep them coming. We are told that, "To Him That Knoweth to Do Good, and Doeth it Not, to Him it is Sin." We all know we should strive to reach all the possibilities for our church and Sunday school. Let us keep this work up throughout the year.

The B. Y. P. U.'s will meet at 6:30 p. m. We had 130-odd present last Sunday night at the B. Y. P. U. This is the training service of the church. All church members should train for service. If you are not a member of our B. Y. P. U. come and join next Sunday night.

The evening preaching service will begin at 7:45. The series of sermons on Sin will be continued. The subject for next Sunday will be, "Be Sure Your Sins Will Find You Out."

It is only four weeks now until our series of meetings will be on. All the Christian people of the community are urged to be in prayer with us for these special services. A great spiritual awakening is one of our greatest needs and such an awakening will be of service to all the churches and people of the community. "Prayer changes Things."

Our folks are urged to remember the special offering on next Sunday morning. If each will do their best we will have a good offering to send away next Monday morning.

Mrs. D. Robert Davis spent the first of this week in Sylva with relatives and friends.

Mr. and Mrs. W. G. Hall and family spent last Sunday in Gainesville, Fla.

BIG SINO-JAP BATTLE LOOMS

(Continued from page one)

ment of United States Marines quartered in a Chinese cotton mill at Shanghai narrowly escaped death or injury when the mill was bombed by a Jap plane. The building was wrecked and five Chinese were killed and 15 wounded, but the American Marines escaped.

Considerable apprehension was felt in the international settlement, where many citizens of this government are resident, and Marines were reported to be barricading the settlement in preparation for any eventuality.

Efforts toward conciliation between China and Japan are still being pushed by representatives of neutral powers.

Help Wanted

Good positions are only open to those who are trained. Turn to "Help Wanted" column of your last Sunday paper and see how many of the positions you are qualified to get a good position? In "Hard Times" you must be able to do the things that the ordinary young man or young woman can not do. You must train for a position. It is true that any one can get a job in "Good Times" but it takes a specialist to go over the unemployed and get a good salary from the hard pressed business firms.

What firm can do without the bookkeeper or stenographer? Yes, many of the clerks can be cut off, the unskilled laborer must go but those trained for the office must be kept.

Many have said that they could prepare themselves if they knew that they could get a job but if they did not have that for an excuse they would hunt for some others. They will go through life making excuses for their failures. Determined young men and young women do not look for excuses but forge ahead and after a good training they launch out into the business world and make a success.

Now is the best time to enter the Athens Business College for such training. Be ready when the ship of prosperity sails and you can get aboard. If you wait you will miss the ship and will be with the crowd still saying "I would take the training if I knew I could get a job." Ambitious young people do not make this mistake. Do your part and the business world will be your field.

Write or call at the Athens Business College and find out how easy and quick you can get ready for a successful future.
