LUKE RILEY SAYS THE RATS DIE BEFORE REACHING THE RIVER

Since moving near the river several years ago we've always used BEST-YET. We watched the vicious Water Rats nibbling at BEST-YET, outside the house. About 15 minutes later they darted off for the river to cool their burning stomachs, but died before reaching it. Kills rats and mice only. Will not hurt cats, dogs or chickens, and there is no smell from the dead rat. BEST-YET comes in two sizes, 4 oz. size 50¢; 6 oz. size 75¢. Sold and guaranteed by PERRY'S DRUG STORE. NOTICE! TO TAXPAYERS

Under a Court Order signed by Judge Felix E. Alley, on September 1, 1933, the undersigned Tax Collector was ordered to proceed on the 1st Monday in October, 1933, to advertise all property in Macon County on which the taxes for the year 1932 are not paid on said date. This means that I will be forced to begin advertising the property immediately after the 1st Monday in October, 1933, and same will be sold on the 1st Monday in November, 1933. Let me urge that all taxpayers owing taxes for the year 1932 make every effort possible to pay same between now and the 1st Monday in October, as it will not only save the taxpayers additional cost, but will save me the embarrassment of being forced to advertise the property of my friends.

I know that it is very hard for taxpayers to raise money with which to pay their taxes, but I believe that the list submitted to the paper for advertisement will be very small if the matter of attempting to raise the money with which to pay taxes is not put off until the last moment. Please give this notice as much publicity as possible among your neighbors and friends so that everyone may know what I must do under the above mentioned Court order.

This September 6, 1933.
