As the World Turns

A Brief Survey of Current Events in State. Nation and Abroadthe Facts Boiled Down to a Few Pithy

VIRGINIA VOTES WET

The staid Old Dominion, Virginia, voted two to one for repeal of the 18th amendment in an election Tuesday, thus becoming the 32nd state to register its dissatisfacion with prohibition. Both city and pealists showed their greatest strength in the population centers. Florida votes on the question next Tuesday and on November 7 six to decide the same issue. These are North and South Carolina, Ohio, Judge Felix E. Alley, of Pennsylvania, Utah and Kentucky Approval of 36 states is necessary to carry the repeal amendment, the

900 Unemployed Listed In Macon County More than 900 persons have

been listed as applicants for jobs at the local office of the federal reemployment service, according to John W. Edwards, manager of the office. Work has been found for 86 of the applocants, Mr. Edwards said. He expressed the hope that many other applicants would

be placed during the fall. "Everyone in the county who is unemployed should not fail to have his or her name listed by the reemployment service," Mr. Edwards added, "for only those who have registered will be eligible for employment on any project undertaken with federal aid funds. Then, too, the more names we have on the unemployed list, the better chance we stand of getting a larger allotment from emergency relief funds."
