

The Pledge Macon County School Teachers Must Sign

(EDITOR'S NOTE—Following is a copy of the pledge, or agreement, which Macon county school teachers are required to sign, together with the letter of transmittal.)

NOTICE

The County Board of Education has selected you for a position as teacher or principal in some school in this County, subject to my approval, which will be given on receipt by me of the agreement here-attached and signed by you. If it is not returned to me on or before July 7, I shall take it to mean that you do not accept the position for which you have been designated. The Board of Education will then meet and fill all such vacancies from any available source. I am taking it for granted that you are a person of sufficient intelligence to understand why these requirements are being made. I ask that you read the agreement with care, and then if you feel that you do not want to sign it, there is nothing further to be done except to select someone else to take your place in the school work of this county. Believing that you are willing to co-operate with the school authorities in the great work of training the young people of this county and that you want to be considered as an example of industry and morality by the fair-minded

people of the community in which you may teach, I am

Very truly,
M. D. Billings, Supt. of Schools
Franklin, N. C.
June 7, 1934

(I am sending two copies. Keep one and return the other.)

Mr. M. D. Billings,
Supt. Schools,
Franklin, N. C.
Dear Sir:

In consideration of your approval of my election as a teacher in the Public Schools of Macon County for the year 1934-1935, I, without any mental reservation, agree to the following: 1. I will be present at the school building in which I am employed as principal or teacher, at least 15 minutes before time for school to begin each morning, and that I will devote not less than six hours each day, exclusive of recesses, to actual school work. 2. During the time that I am employed as a teacher in the schools of Macon County, I will not attend any dance, public or private. 3. I also agree to refrain from any and all other forms of social activity at evening or night when I will be expected to teach school the next day. 4. Realizing that a Public School Teacher is a Public Officer, employed and paid by the State of North Carolina, that one of the chief duties of any teacher is to train the children to be good citizens, and that one of the best lessons to that end is the daily conduct and example of the teacher, I shall act accordingly. 5. If I have not received a Teacher's Certificate of higher grade than Elm. A. by or before Oct. 1st, 1934, I shall consider my contract as teacher void and teach no longer. 6. Should I wilfully violate any of these regulations, you will consider that as notice to you of my resignation as a public school teacher.

USE GOOD SUGAR FOR GOOD JAMS AND JELLIES

Buying in Cotton Bags Assures Purity and Full Weight

In buying their sugar for canning and preserving this Summer, Southern women should be particular to buy it in the 25, 10 or 5-pound cotton bags in which it is packed at the refinery.

There are many good reasons for this, the first being that she knows exactly what brand of sugar she is getting, and can tell whether or not it is sugar that has been refined in this country under the strict United States sanitary conditions, by American labor, under the NRA code—or whether it is foreign refined sugar. The cotton bag also keeps the sugar in the same pure, clean state in which it left the refinery.

In addition, when she buys sugar in a cotton bag, she is stimulating the consumption of cotton—the crop upon which the prosperity of the agricultural South largely depends. The Savannah Sugar Refinery at Savannah, Ga., (refiners of Dixie Crystals Sugar,) alone uses 10,000,000 yards of cotton cloth a year in packing their sugars.

Put up plenty of fruits this summer for use this winter. The price of canned goods, jellies, etc., has gone up materially in recent months, and it is predicted that their price will go even higher. The more you can this summer, the more you will save on your food bill next winter.

It's Great To Lose Fat and Feel Years Younger

We picked out this letter for fat folks to read to-day—read every word.

"I give you my full permission to print this letter. I used Kruschen Salts for reducing. I lost 30 lbs., since I have been taking it. I praise it to everybody I know that is fat. And I also feel years younger." Miss Edna Hunn, Algiers, La.

A jar of Kruschen Salts lasts 4 weeks and the cost is trifling. Are you taking Salts to reduce or to please your palate?

Just try Kruschen for a month—besides losing fat you'll gain in physical attractiveness—skin grows clear—eyes sparkle with health. Take half a teaspoonful in a glass of hot water before breakfast every morning—you feel cooler in hot weather—get it at any drug-store in the world.
