We Beg Pardon

Through an unintentional error, a news story appearing in last week's Press-Maconian concerning a tour of North Georgia gardens by members of the Franklin Garden club was credited to Mrs. T. J. Johnston. The article was written by Mrs. W. W. Sloan and should have been credited to her. The Press-Maconian regrets the error and is glad to publish this correction.

Shirley, aged 4, was reprimanded for not putting a dime in the collection basket at church.

"I thought I'd buy some ice cream with it and let the ice cream man give it to the church," she said.

Thirty Million Miles of Ford Economy

MORE MILES. Faster miles. Greater economy . . . that is the story of the Ford V-8. There are conclusive figures from owners to show that it is the most economical Ford car ever built.

A particularly interesting and complete report of costs comes from a national fleet owner who has owned 854 Ford cars which have run more than thirty million miles in business use.

175 were Model T Fords which were run 5,017,075 miles. 599 were Model A Ford cars which were run 24,041,632 miles. 80 are Ford V-8 cars which have been run 2,982,886 miles.

This owner's cost records show that Ford V-8 cars cost 12% less to operate than the Model A Fords and 31% less than the Model T Fords. And they covered more miles per month! The monthly average for the Model T Fords was 1509 miles. . . . For the Model A Fords, 1866 miles. . . . And 2571 miles for the Ford V-8.

Each year the Ford car gives you more in value and performance and costs you less to operate.
