## Have You Funeral Benefit Insurance?

The cost is so little that no  
one should do without it, espe-  
cially those who are dependent  
on moderate incomes.  
The assessments are from 5c  
to 30c, depending on age. At  
present we are making four as-  
sessments per year. This is  
mutual body, which we believe  
is as low a death rate as any  
association anywhere.  
Benefits are provided in the  
amount of \$100 for persons over  
20 years of age, \$50 for persons  
under 20 years of age.  
There are over 5,000 members  
in the association. Come in and  
join the big family today.
