Jesse Phillips-Robertson, of New York, will present a musical program featuring the songs and customs of ancient Bible times at the Franklin Methodist church at 7:30 o'clock Saturday night. No tickets are to be sold, but a free will offering will be taken to care for Mr. Phillips-Robertson's expenses, it was announced by the Rev. J. A. Flanagan, pastor of the Presbyterian church, who is in charge of arrangements for the psalm-singer's appearance. The program will include some of the oldest lyrics known to man, sung to the accompaniment of musical instruments which are exact reproductions of instruments used in the times of David and Solomon. KENO PARTY TO BE HELD TUESDAY NIGHT

A keno party, sponsored by the Woman's Auxiliary of the Episcopal church, will be held at the Potts house at 8 o'clock Tuesday night, November 24. Most of the prizes will be things useful in the preparation of the Thanksgiving dinner, with a turkey as the drawing prize. Refreshments will be served. There will be a small admission charge.

WE BEG PARDON

We are sorry that through a misunderstanding it was stated in this column last week that the Highlands school lunch room was under the supervision of Mrs. T. J. O'Neil, county home agent. This

lunch room, as others in the county, was established by and is under the direction of Miss Ethel Hurst, of Franklin, who is in charge of the lunch room project under the WPA. Mrs. O'Neil, however, has extended her assistance in connection with the undertaking here.

Dr. W. O. Carson, who has been camp doctor at the Horse Cove CCC camp for more than a year, has been transferred to Brevard. He and Mrs. Carson left Highlands Friday.

Mrs. Edith Dougall and Miss Valerie Dougall have returned to their winter home in St. Augustine, Fla., after spending the summer at "Faraway," their residence on Satulah mountain.

Mrs. W. W. Edwards was taken to Angel hospital Wednesday after a sudden illness. She was brought home Saturday. Louis Edwards, senior Clemson College student, was home on account of his mother's illness.

Ed and LeRoy Rogers, sons of Dave Rogers, are at their home here after a trip of several months in the west, including Seattle, Wash.

Mr. and Mrs. R. B. Eskrigg, of New Orleans, are spending several days at the Eskrigg residence on Satulah.

Mr. and Mrs. H. M. Bascom left Saturday for New York City, where they will spend the winter months before coming back to their home here in the spring.

Lieut. Glissen, camp surgeon, of Georgia, arrived at the camp in Horse Cove Tuesday to replace Dr. W. O. Carson, who was recently transferred to another camp.

Mr. and Mrs. L. G. Appley and family left last week for Coral Gables, Fla., but expect to return to Highlands soon and remain until after Christmas.

Keno Party

To Be Given At High School Friday Night

The junior class of the Franklin high school will sponsor a keno party at 8 o'clock Friday night in the school auditorium, the proceeds to be used in financing the annual junior-senior banquet.

Another keno party, previously announced for the same date and planned for the benefit of the Franklin library, has been indefinitely postponed.

The high school juniors are expecting a record crowd for their party, as many prizes have been donated and the list is still growing.

Dog Drives Teachers and Pupils from School

Pandemonium reigned in the Watauga school Tuesday afternoon when a small dog believed to have gone mad or to have been suffering from fits broke into the building and threatened to bite the teacher and several of the children. Pupils in Mrs. Fred Arnold's class room fled to Mrs. Theo Kiser's class room, but the dog pursued. Mrs. Arnold caught the dog between the door and door jamb while the children fled through another door and out the windows. Then Mrs. Arnold and Mrs. Kiser escaped through a window, leaving the dog trapped in the building. One of the other pupils, Kenneth Cloer, later entered the school, while his classmates watched from tree tops, and killed the dog with an axe.

Billy Higdon Elected Head of Junior Class

Billy Higdon was elected president of the junior class of the Franklin high school at a recent class meeting. Charles Hunnicutt was chosen vice president, and Jean Hall secretary and treasurer.

"School Days" was agreed upon as the class song and the tulip was selected as the class flower. For class colors, green and white were selected, and for a motto—"Green but growing."

RECOVERING

Master Paul Joines is recovering from an appendix operation performed in the hospital last Thursday.

Many Thousands Given Aid by Red Cross

school children, cooperating local physicians, and arranged curative treatment of 200,000 where physical defects were found. Is all this worthwhile? This is just a little of the essential program of the American Red Cross which you help with your membership dollar as you join now, but let us all have a part in the great work. No one who reads the words can say that he has not been invited to join. It is the "People's Red Cross." Let's join, hoping never need it back for an emergency in our own area. The American Red Cross has done, and still doing a noble and worthwhile piece of work throughout the country, more of which I will next week. In the meantime, us not talk Red Cross history, us make it by a larger enrollment this year than ever before.
