

ANNOUNCEMENT

We Take Pleasure in Announcing Removal to Our New Building On Main Street

Our place at the present location will be closed all day Friday and we will open in our new building on Main Street Saturday morning.

In our new location we will be better prepared than ever to serve our customers. We have ample room, the most modern

equipment and everything necessary to render prompt and satisfactory service.

We appreciate the liberal patronage that has been given us in the past, and we invite all of our friends and customers to call and inspect our new quarters. You are always welcome.

Our Day and Night Wrecker Service is Always at Your Command!

SPECIAL ATTRACTION

At 2:30 o'clock Saturday afternoon we are going to sell seven cars for cash to the highest bidder, and that means seven big bargains for the successful bidders. Don't miss this event. In addition to these cars we have numbers of other used cars, each one a real bargain. Come in and look them over, we believe you will find here just the car you have been looking for.

Main Street Service Station

This service station is managed by Lawrence and Thad Patton, who formerly operated the Patton Bros. Service Station. This station is equipped with the most modern devices for servicing cars and trucks and will be open for service day and night.

On the opening day, Saturday, July 31st, to each of the first 25 customers who buy as much as 10 gallons of gas will be given a ticket good for one complete chassis lubrication job when needed.
