

Broadway

By EFFIE WILSON

Mr. and Mrs. Carl Vinson and small son were visiting Mrs. Wilson Sunday.

Frank Cabe spent Sunday night at the home of Andy Wilson.

Miss Lily Cabe was shopping in Highlands Saturday.

Barak Wright and Jim McKinney spent the week-end on Turtle Pond.

Grady Smith, of Tallulah Lodge, Ga., was visiting relatives in this community recently.

Tom Wilson spent the week-end in Highlands.

Thieves visited Andy Wilson's hen house Saturday night, and took a number of chickens.

Andy Wilson was visiting his mother Sunday.

HORN'S SHOE SHOP SAYS WE ARE STILL MENDING SHOES

When you get too sad
To drive a nail
We'll make you glad
And save you kale.

Sufferers of STOMACH ULCERS HYPERACIDITY

DEFINITE RELIEF OR MONEY BACK

THE WILLARD TREATMENT has brought prompt, definite relief in thousands of cases of Stomach and Duodenal Ulcers, due to Hyperacidity, and other forms of Stomach Distress due to Excess Acid. **SOLD ON 15 DAYS TRIAL.** For complete information, read "Willard's Message of Relief." Ask for it—free—at

PERRY'S DRUG STORE

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous; all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor!

DOAN'S PILLS

GUILTY

Don't be guilty of face-scraping! You'll find comfort in Star Single-edge Blades. Made since 1880 by the inventors of the original safety razor. Keen, long-lasting, uniform.

STAR BLADES

FOR GEM AND EVER-READY RAZORS

"Nuts to You, Willie Squirrel"

Life for Willie, pet squirrel owned by Mr. and Mrs. Lawrence Britten of Greenville, Tenn., is just one dentist chair after another. Willie's front teeth began to curve backward toward the roof of his mouth and his owner carted him off to the dentist to have them ground off. The dentist opined that Willie eats too much prepared food.

Wrestlers Try a "Mud Match"

In the first "mud match" in history, Sandor Szabo, Hungarian, defeated the Hindu, Prince Bhu Pinder, in 12 minutes at San Francisco. In the picture, in case you don't recognize him, the prince is on top. The combatants were covered from head to foot with the good wet earth when it was all over.

Have Fun On Night That Witches Ride

On Hallowe'en, when witches ride and weird spirits reign, is one of the best times in the year to give a party.

"All formality must vanish. Give yourself over to the spirit of the occasion and, young or old, you will have a good time," said Ruth Current, state home agent at State college.

Owls, black cats with curled tails, witches, moons, and other Hallowe'en decorations cut from orange and black paper; pumpkins, corn stalks, red apples, and autumn leaves; Jack-o-lanterns, silhouettes, and scarecrows—all add a weird atmosphere.

Silver Christmas corn can be woven into a spider web in one corner. Paper spiders placed in the center give it a realistic effect.

The lighting is important. There should be plenty of Jack-o-lanterns. Other lights should be dimmed with orange and red crepe paper.

Bobbing for apples, lucky peanuts, and fortune-telling appeal to all comers on a time like this.

For a large group, several fortune-telling devices can be placed in different parts of the room, with the guests going from one to another.

Or a witches' den may be constructed, dimly lighted with Jack-o-lanterns, and with a witch sitting inside beside her cauldron to tell the fortunes of all who enter.

A gruesome ghost story told by some one who has a gift for story-telling brings a dramatic climax to the evening.

Then for the "eats." Cider and doughnuts, or sandwiches and coffee, or pumpkin pie with whipped

cream, or ginger bread with coffee or cider—maybe you will want to add nuts, apples, or popcorn to the list.

New Clutch Reduces Driving Effort

Driving effort is greatly reduced, and control over the car is increased, by the new "Tiptoe-matic" clutch, of revolutionary design, which is being introduced on all the 1938 Chevrolets, both passenger cars and trucks.

The mechanism operates on a principle which has already had some applications in long-range artillery, hydraulic presses, railcar couplings, and similar heavy-duty installations, although it has never before been adapted to use in the automotive field. Many months of testing, both at the General Motors proving ground and on the highway, preceded its adoption on the 1938 Chevrolet.

The central unit is a spring diaphragm of heavy heat-treated steel, shaped something like a concave disc, or, more accurately, a "dished" washer, with 18 tapering steel fingers pointing inward from its edge.

When the clutch is in the engaged position, the entire outer rim of the disc bears against the pressure plate, providing complete distribution of the driving load. When the pedal is depressed for disengagement, however, the pressure of the throwout bearing on the inner ends of the fingers causes a diaphragm action, comparable to that which takes place when the bottom of an oil can is pressed. The outer ends of the fingers, toward the rim of the disc, pivot on the foremost of two fulcrum rings, one of which

is located on either side of the diaphragm. This causes the rim of the diaphragm to spring away from the friction disc against which its own stiffness has held it, and disengagement results.

At the same time, engagement characteristics have undergone marked improvement. The fact that the entire rim of the diaphragm bears on the clutch disc assures complete distribution of the driving load. Uniform load distribution around the pressure plate, and softer application of the load, are affected by the substitution of the 18 tapering steel fingers, stamped integral with the spring, for the three pressure levers of 1937. Because the disc pivots on the fulcrums provided by the two steel rings, friction is held at a minimum, not only when the car is new but after long service, when the conventional clutch develops noticeable friction drag.

The design of the new mechanism, Chevrolet engineers point out, is such that it requires no lubrication throughout the life of the car.

Home Coming Day At Zion A. M. E. Church

A series of services have been in progress during the week at Ray's Chapel A. M. E. Zion church, preparatory to Home Coming Day which will be observed next Sunday, October 31.

The services have been conducted by Rev. D. D. Moore, D. D., and have been well attended.

A very large number of the colored people of all denominations will attend the Home Coming Day services Sunday, both morning and evening.

Rev. D. D. Moore will be remembered by many Franklin people as pastor of the colored Methodist church. He was always highly regarded and has many friends among the older white residents of the town, who go to hear him preach.

First golfer—"That was a fine drive you made this morning."

Second golfer—"Which one do you mean?"

First golfer—"Oh, you know—that time you hit the ball."

KEEP BABY'S SKIN SAFE from GERMS

Mother, heed the urgent advice of doctors and hospitals, do as they do: give your baby a daily body-rub with the antiseptic oil that chases away germs, and keeps the skin SAFE. That means Mennen Antiseptic Oil. It's used by nearly all maternity hospitals.

It gets down into skin-folds—and prevents infection. It keeps the skin healthier. Get a bottle today at any druggist.

MENNEN Antiseptic OIL

I'M A NEW WOMAN THANKS TO PURSANG

Yes, Pursang contains, in properly balanced proportions, such proven elements as organic copper and iron. Quickly stimulates appetite and aids nature in building rich, red blood even in cases of simple anemia. When this happens, energy and strength usually return. You feel like new. Get Pursang from your druggist.
