TEA FOR HUDSON LIBRARY WAS ENJOYABLE AFFAIR

The tea which was given for the benefit of the Hudson Library at the home of the Misses Marguerite and Clare Ravenel on Saturday, August 13, was a most delightful affair. Guests were received by the Misses Gertrude and Dorothea Harbison, and ushered to the living room where tea was served. Mrs. Parker poured coffee from one end of the long table, and Mrs. George Townsend poured tea at the other end. The table was laid with a lovely lace cloth and held a center bowl of beautiful summer flowers.

The trustees of the library, under the direction of Mrs. Frank Potts, assisted in serving sandwiches, beaten biscuits, and tiny cakes. As a special and interesting feature of the afternoon the dining room was transformed into a theatre and Mr. Hecht, from Atlanta, showed

colored moving pictures, taken by himself, of several European countries and sections of the United States, ending his film with pictures of Bridal Veil Falls in Highlands. This feature was greatly enjoyed by the guests. The east piazza was also open for those who wished to enjoy the beautiful view into Horse Cove and the surrounding mountains.

The rooms throughout were profusely and beautifully decorated with summer flowers and potted plants.

Over 300 guests called during the afternoon and \$137 was realized for the library.
