FOOTBALL TEAM STARTS SEASON

Locals Lose To Canton In Opening Game Last Friday

The Franklin high school football team started the season last Friday night with a game played on the Canton field with Canton high school, which resulted in a score of 19 to 0 in favor of Canton.

Canton chalked up its first marker in the opening period when Rhodamer clinaxed a 70-yard drive by plunging four yards over the line to tally. Fowler and D. Hipps shared ball-toting duties during the drive.

A partially blocked kick, which Fowler ran to the 15 yard line, paved the way for the second touchdown. Hipps took it over from the one-yard stripe.

A 15-yard pass from Hamlett to Wyatt in the end zone accounted for the final tally in the fourth period. D. Hipps plunged through the line for the extra point.

The line-up was as follows:

Pos.	
Canton (19)	Franklin (0)
LE—Rhymer	Shepherd—L.E.
LT—Bob Pitts	J. Seizer—L.T.
LG—Bill Pitts	Arvey—L.G.
C—W. Cooper	Higgins—C.
RG—Jacobs	Guest—R.G.
RT—Clark	C. Pennington—R.T.
RE—Miller	Leatherman—R.E.
QB—Fowler	Honeycutt—Q.B.
LH—Hamlett	Wilkie—L.H.
RH—Rhodamer	Culver—R.H.
FB—D. Hipps	Higdon—F.B.

Substitutes for Franklin: Cabe, Pattillo, Cunningham and Fouts.

To Play Cornelia Tomorrow

The Franklin Panthers are scheduled to play the Cornelia team on the local field tomorrow (Friday) afternoon at 3:30.

Admission will be 15 cents for high school students and 25 cents for adults.

The squad is in good trim for the game, and it is hoped that a large crowd will attend.

Macon Veteran Dies In Colorado

The following clipping has come to us from a Colorado Springs newspaper that touchingly describes the last days and the death of one of Macon county's last surviving Confederate veterans:

"A bent old man who three quarters of a century ago fought for the Stars and Bars in the army of the Confederacy and who six weeks ago came west for the prime purpose of dying, Thursday had been granted his last wish—burial beside the body of his wife in Colorado Springs.

"He was William Roper, 95½ years old, whose home was in Franklin, N. C., and who fought with Robert E. Lee through most of the Civil war.

"He died Monday at the home of his daughter, Mrs. James F. Kane in Beaver Park, northeast of Penrose. To the last he kept steadfast his dislike, or dread, or doctors—particularly 'damned Yankee' doctors—and with death staring him in the face, refused medical aid.

"On July 16 the aged, silver-haired old man alighted from a train at Colorado Springs. Police officers kindly offered him help, found he had come west 'to die'.

"I kind of had a feeling I might not last long,' he told officers. 'My wife's buried out here and when my time comes I want to be with her.'

"His daughter in Beaver Park was notified and took him to her home. The old southern veteran—only one in Fremont county—failed gradually in health. And Monday evening he died.

"Because he had no medical attention, the Fremont county coroner's office was notified. Coroner Dr. W. T. Little released the body to a Colorado Springs mortuary.

"And Thursday a stooped and weary old man's final wish was carried out. His casket was lowered into a grave that adjoined that of his wife."

DEATH CLAIMS OLD RESIDENT

Mrs. Sallie Lowe Tippett Passes At Home In Iotla Section

Mrs. Sallie Lowe Tippett, 95, died at her home in the Iotla section Wednesday morning about 1 o'clock, following an illness of more than one year. Death was caused from old age and complications.

"Aunt Sallie," as she was known to hundreds of relatives and friends, was born December 9, 1843, being 95 years, nine months and 18 days old. She was the oldest woman in Macon county, where she has lived all her life.

Mrs. Tippett was the daughter of the late Nathan and Betty Lowe, one of the pioneer settlers of this county. She joined the Cowee Baptist church in early girlhood, and was the oldest member of that church. She was a devout Christian, a good mother and neighbor, and will be greatly missed in her neighborhood. She was the widow of W. D. (Bud) Tippett.

Funeral services were held at the Cowee Baptist church on Wednesday afternoon at 3 o'clock. The Rev. R. F. Mayberry, pastor, was in charge of the services. Interment was in the church cemetery.

The pallbearers were: Sam Gibson, Lee Mason, Marvin Pickens, George Brendle, Ralph West and Calvin Wilson.

Surviving are two sons, Henry and Robert Tippett, of Iotla; two daughters, Mrs. Ingle Cope, of Gay, Jackson county, and Mrs. J. Bass Hurst, of Iotla; eight grandchildren and six great-grandchildren.

Interest Fixed On Neutrality

President Roosevelt Delivers Strong Message Asking Repeal Of Arms Embargo—Bill Drawn by Senator George Faces Hard Fight—Poland Divided—Neutral Nations Threatened.

In view of the fact that all of the nations of Europe seem likely to be involved in the war now raging, interest in the United States centers upon congress and the action that will be taken to keep us out of the struggle.

President Roosevelt delivered to congress last Thursday what many believe to have been the ablest message of his career. The President asked for the repeal of the embargo clause of the present neutrality act, and proposed a cash and carry system, the barring of all credit to warring powers, and also barring American citizens from the zone of hostilities. He stated that in his candid judgment the nation could be kept neutral, and that the repeal of the embargo would aid in the efforts for peace.

A bill has been drawn by Senator Walter George, of Georgia, which it is thought will meet the views of the administration and will also be acceptable to many opponents of repeal. But a long fight is expected to be made by Senators Borah, Clark, Johnson, Nye, LaFollette and other bitter foes of repeal. It will probably be a month or six weeks before action is taken.

The conquest of Poland seems to be practically complete, with the surrender of Warsaw which occurred Wednesday. The country has been divided between Germany and Russia, Russia getting about two-thirds, which is mainly agricultural, while Germany takes the remaining third, consisting of the rich industrial areas.

On the western front the heavy artillery duels continue and the French have made some advances into German territory. The Maginot and Siegfried lines are still intact, and it is admitted that neither can be broken without a terrible sacrifice of men.

The Germans are massing troops at points, and there is fear that they will attempt to swing around the end of the Maginot line and invade France through Belgium. Both Belgium and Holland are fully mobilized and ready to resist any attempt to violate their neutrality. They are also prepared to open their dikes and flood the low sections.

FLEET MANEUVERS

A dispatch from San Pedro, Calif., reports that 101 ships of the U. S. fleet with over 400 fighting planes put to sea Tuesday for four days of secret maneuvers.

Italy is still neutral, but the Italian press is assailing the proposed repeal of the arms embargo by the United States as an effort to aid Britain and France, and Mussolini is advising all powers to make peace and leave Germany and Russia in possession of Poland.

Conferences are being held in Moscow between Russian officials, the German foreign minister and representatives of Turkey, and it is feared that an accord will be reached between these powers which will result in a further spread of hostilities.

Turkey controls the Dardanelles, the only entrance to the Black Sea, and the Dardanelles cannot be forced, as England found at an awful cost during the World War. Turkey also has strong influence over the Arab population in Palestine, Syria and other sections of the near East, and could give much trouble to Great Britain and France in their colonies and protectorates.

A mass attack of German planes upon a squadron of British warships Wednesday resulted in a complete victory for the British, and seems to prove what naval experts have been claiming, that aircraft is ineffective against battleships.

Indications point to an agreement between Germany and Russia whereby the two countries will attempt to divide or control all of the continent of Europe except France and Italy, and Italy is expected to be offered a share of the spoils. Finland, Latvia and Estonia will probably go to Russia, and Germany expects to take over Rumania and to control Hungary. The remaining small powers may be allowed their own governments under German or Russian supervision.

Hitler is said to be preparing another peace offer based upon his victory in Poland and using the German army as a club to force submission to his terms. He knows that the offer will be refused, but it will enable him to tell his own people that he offered peace, and that France and England must bear the blame for the continuation of the war.

LIBRARY GETS SIX NEW CASES

Material Donated, Lions Club Gives Cash Needed

At the regular meeting of the Lions Club Monday evening in Cagle's Cafe the 20 members present voted unanimously to pay from the treasury of the club the amount necessary to cover the cash outlay in connection with the construction of six new bookcases which have been installed in the public library. The new cases will hold about 1,500 books.

The library has received so many new books within the past few weeks that more shelves had become a real necessity, and Miss Lassie Kelly and others contacted the business men of the town who were very generous in the donation of time and material. The Zickgraf Hardware company gave the chestnut lumber, the Franklin Hardware company donated varnish, Reeves Hardware company furnished nails and material for the backs, the Macon Furniture company did the hauling, A. W. Reid's cabinet shop gave a day and half of labor toward building the cases, and Potts woodworking shop gave the use of their shop and machinery. The six bookcases cost \$30.00, three-fourths of which was donated, and the remainder was paid by the Lions Club.

The Lions Club sometime ago took up the matter of a traffic light at the intersection of the Georgia and Murphy roads, and the town board has ordered it to be installed.

Macon Will Receive Student Aid Funds

Macon county has been assigned \$260 of the monthly allotment of \$8,000 to Western North Carolina colleges and high schools of National Youth Administration funds, N. C. Larabee, state assistant on student aid has announced.

Allotments are based on: (1) youth population distribution; (2) special needs of particular localities or regions; (3) availability of school facilities; (4) past use of funds and (5) total amount available for the state.

In the high schools the figure representing the total number of youths, in a unit, is multiplied by \$6 which gives the total allotment figure for the city or county, Mr. Larabee said.

Future Farmers Elect Officers For Year

The Franklin chapter of Future Farmers of America met Tuesday and elected officers for the year. The following were elected: Roy Fouts, president; Wayne Bradley, vice-president; Bob McClure, secretary; Lyle Shepherd, treasurer, and Mr. Whitmore, adviser.

There are 76 members in the chapter, the largest enrollment since agriculture has been taught. The chapter has made many improvements in their classrooms as the boys have painted them, made a magazine file and a bulletin file.
