Horton Calls For Second Primary; Will Be Held June 22

A second Democratic primary has been called for June 22, for a run-off between Broughton and Horton, candidates for governor, who received the highest number of votes in Saturday's primary.

Melville Broughton led with with over 40,000 votes in the state and more than two-thirds of the counties of the state in the sevenman race for governor in the Democratic primaries, the largest plurality ever polled in such a contest.

Lieutenant-Governor W. P. Horton followed Broughton, and Commissioner of Revenue Maxwell ran third. In a statement made immediately after all returns were in, Mr. Maxwell called the result "virtually decisive" and urged that the people not be put to the "expense and confusion" of a second pri-mary. Mr. Grady, gubernatorial candidate, made a statement as follows: "It is my considered opinion that the overwhelming majority of our people are opposed to taxing themselves another hundred thousand dollars for a second primary to satisfy any selfish ambition on the part of any candidate that candidate. What North Carolina needs now is unity and harmony.

It is pointed out that Broughton's plurality was not confined to any one section, his support coming from voters in all classifications.

In his statement issued last Monday calling for a run-off election Lieutenant Governor Horton told newspapermen: "Come what may, there will be a second primary, and, gentlemen, I don't mind saying that it's every man for himself.'

Today, May 30, is National Memorial Day dedicated to the heroic dead who fell in the nation's wars.

Franklin Defeats Asheville Again

Behind the brilliant three hit pitching of "Dub" Nichols the Franklin All Stars hammered out 13 hits and nine runs to score a convincing 9 to 1 victory over the Asheville All Stars Sunday afternoon in a game which was called in the last half of the eighth inning because of rain.

The slim right hander was complete master of the situation from the time he faced the first batter and but for Thomas' muff of Hawes fly o center after Melton's triple in the sixth inning would have had a shut out game. The Franklin team seemed to sense that Nichols was right and proceeded to jump on the offerings of "Gus" Manley. **Except In Race For** Governor

Tysinger went out, and scored as Dalrymple opened the fourth with a double to center and scored on

short. Whitmire drew a pass and then the redoubtable Nichols crossed up the opposition by rolling a single through the right side of the infield to score Duvall. In the fifth the Franklin team Continued the assault on Manley. Newton led off with his second hit of the day, a double to center. After two men went down Whitmire lofted a double over the left field fence for two bases and ten gallons of gasoline, Newton scoring on the hit. Nichols again came through with a hit to right to score Whitmire and a moment later come home as Thomas hit a double to left center. Franklin's final runs came in the abbreviated eighth inning in which they were never retired but were rained out. Newton, who incidentally caught a swell game, hit a booming triple to open the inning and scored on

Dairymple's share single. Duvall then rapped out a single and Whitmire followed suit and send Dalrymple home with the last Franklin run. The Asheville team was still trying to retire the side when rain put an end to the proceed-

ings. Sunday afternoon Sylva will on as possible. The American field for a crack at the up and coming Franklin team. A large crowd should be on hand to support a team that is improving slowbut surely.

J. W. Ledford, 94, Leaves 196 Living Descendants

James Wesley Ledford, a well known citizen of Prentiss, who died on Wednesday, May 15, at the advanced age of 94 years, lived to become a patriarch whose descendants numbered 196 at the time of his departure.

The names of his eight children were given in the account of his funeral in the May 16 issue of The Press, but the unusual fact of his many descendants was not recorded. Few live to see 56 grandchildren, 124 great grandchildren and eight great great grandchildren. Six grandsons were his pallbearers and 12 granddaughters were flower bearers at his funeral.

Of him one of his children wrote this simple obituary: "He was a devoted Christian and many older ones witnessed his baptims. . . . He was very unselfish, always thinking about the comfort of others. The latter part of his life was spent among his children where he was satisfied and thought to be the least trouble of any man journey over to the high school of his age. He will be missed by everyone who knew him and will be an inspiration to those who seek a better home above."
