Wilford Corbin Has Unbroken School Record

A noteworthy record has been made at the Higdonville school by Wilford Corbin, 13 years old, who passed the 8th grade at the close of the school year. Besides taking several prizes for perfect attendance his work has been of a high order. "Wilford is a conscientious student, and judges relative facts carefully; has the regard of his associates, and is active in his civic and religious associations", one of his teachers reported. He has served as president of the 4-H club the past year, winning first prize in the 1939 dairy calf show of the county.

Wilford is the son of Dr. Fur-

man Corbin and the late Mrs. Pauline Corbin of Higdonville.
