#### **FARM CENSUS NOTE**

Each farm owner shall prepare a list of the acreages of each crop grown, including tenths of acres of truck. The list should show the total acres cultivated by the owner, also the acres cultivated by all tenants on each separately recognized farm, the acres in improved pasture, woodland, idle and other lands. He shall be prepared to report the numbers of bearing fruit trees, the numbers of livestock of breeding age, number of hogs sold or slaughtered during past 12 months and tons of fertilizers to be used during this crop year. This information is kept confidential and has no relation to taxes. Its purpose is for agricultural education, economic analysis and safer guidance of county agents and farmers generally.
