### JUNIOR-SENIOR BANQUET DELIGHTFUL OCCASION

The banquet given by the Junior class of the Franklin high school in honor of the graduating class at Panorama Court last Friday evening was a delightful occasion in every way.

A sea voyage was the theme of the program, which was carried out in clever and original detail. Six juniors, as sailors sang, "Sailing". Sam Ramsey, president of the junior class, was toastmaster and made the speech of welcome to the guests. Besides the senior class and faculty members, the school board and school committee were guests of honor.

Bruce Bryant, president of the senior class, responded to the greeting of the hosts and Sol Sanders offered the toast to the teachers. Clell Bryant offered a toast to "The Old Ship"—the school—and "Stories Heard on Deck" by Sallie Lou Moore were amusing anecdotes of teachers and students during the "voyage" together.

The invocation was offered by the Rev. Hubert Wardlaw and the Rev. Dr. Stokes as principal speaker, took as his subject, "Sea Tales." Guy Houk, superintendent, and W. H. Finley, principal, also made brief talks. Mrs. Philip Green and Miss Jewel Vandiver were faculty sponsors.

## Wheat and the War

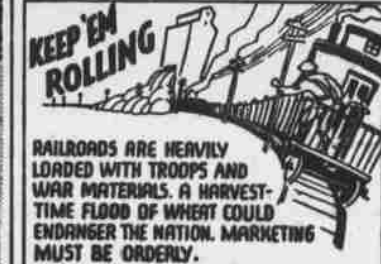

AMERICA HAS ENOUGH WHEAT TO MAKE 588 LOAVES OF BREAD FOR EVERY PERSON IN THE COUNTRY.

**BIG INDUSTRY**  
WHEAT IS THE WORLD'S BIGGEST FARM INDUSTRY. NEARLY 1 1/2 MILLION U.S. FARMERS GROW WHEAT.

ONLY IN AMERICA DO BALLOTS DECIDE WHEAT PROBLEMS. IN 1941 U.S. GROWERS VOTED TO STABILIZE THEIR WHEAT INDUSTRY WITH MARKETING QUOTAS.

RAILROADS ARE HEAVILY LOADED WITH TROOPS AND WAR MATERIALS. A HARVEST-TIME FLOOD OF WHEAT COULD ENDANGER THE NATION. MARKETING MUST BE ORDERLY.

MARKETING QUOTAS HELP KEEP AMERICA'S WHEAT PROGRAM STRONG DURING WARTIME. VOTE IN THE NATIONAL REFERENDUM **MAY 2**

As America goes into full swing in her fight against aggression, wheat bins already are bulging with the largest supplies on record and transportation facilities are overburdened with movements of war materials and troops, according to W. Herbert White of Caswell county, member of the State AAA Committee. This is in marked contrast to the situation which existed when America entered the first World War. Wheat supplies on hand on July 1, 1942, are estimated at 1,423,000,000 bushels, enough for two years domestic use and exports, Mr. White said. This estimate is based on a carryover of 630,000,000 bushels and a 1942 yield of 793,000,000 bushels. In 1917, the wheat supply was approximately 700,000,000 bushels, or about half of what it is now.

North Carolina wheat growers will join with those of other states on Saturday, May 2, in a national referendum on wheat marketing quotas on the 1942 crop. "This referendum," Mr. White declared, "gives American farmers an opportunity to decide an issue vital to them in the democratic manner."

### U. S. Wheat Bins Are Full

World War II finds the United States well supplied with wheat, according to W. Herbert White, Caswell county farmer and a member of the State AAA Committee. As the chart indicates, the supply is double that of 1917 when America entered the first World War. It is estimated that on July 1, 1942, the nation's wheat supply will be nearly one and one-half billion bushels, enough for two years' domestic consumption. Instead of plowing up new land and expanding wheat acreage, farmers now are able to use land, labor, and equipment in turning out more of the war crops more urgently needed such as peanuts and soybeans for oil, dairy and poultry products, meats, and vegetables.

North Carolina wheat growers will vote Saturday, May 2, on marketing quotas on the 1942 crop. To be in effect, quotas must be approved in a national referendum by at least a two-thirds majority.

### In These Days of ECONOMIC CHANGE

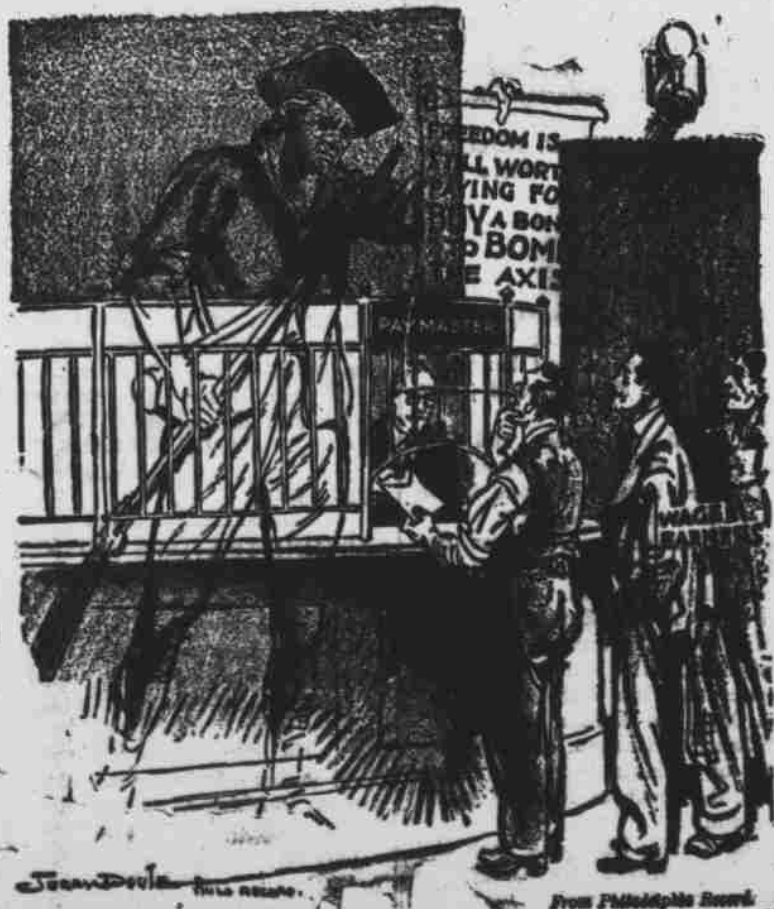

Our country at war brings about shifting populations—increases in income for some—reductions for others—increased living costs—higher taxes—wage earners transferred to the armed forces—women doing men's work—adjusted budgets and future uncertainties. Every effort must be made to avoid as far as possible, an unequal distribution of the necessary sacrifices.

We maintain the same superior standards that have caused our service to be known as the ideal ceremony. We shall continue to serve all people of every faith in all income brackets. Each family chooses a price in keeping with its plans, knowing that it costs no more to call us.
