If you want to make BIG CASH PROFITS in a portable grinding business of your own, you may have looked at every portable mill made. Have you checked carefully whether the owners are really making money, how the mill stands up under hard service, how long it has lasted, what is the cost of upkeep, and the rate of profit on every grinding job? This is very, very important.

Soldiers of Production

America's "soldiers of production," men and women working in the plants of American industry, have their uniforms, too. Some uniforms worn by G-E workers on vital production jobs are shown below.

President's Flag Day Address **Prayer for the United Nations**

Today on Flag day we celebrate the declaration of the United nations-that great alliance dedicated to the defeat of our foes and to the establishment of a true peace based on the freedom of man. Today the republic of Mexico and the commonwealth of the Philippine islands join us. welcome these valiant people to the company of those who fight for freedom.

The four freedoms of common humanity are as much elements of man's needs as air and sunlight men and nations. Grant us faith of him withers. Give them to him in full and abundant measure and he will cross the threshold of a new age, the greatest age of

These freedoms are the rights of men of every creed and every in the great universe. Yet of it race, wherever they live. This is we can make, if we choose, a plantheir heritage, long withheld. We et unvexed by war, untroubled by of the united nations have the hunger or fear, undivided by sensepower and the men and the will at last to assure men's heritage.

The belief in the four freedoms of God-is the crucial difference between ourselves and the enemies we face today. In it lies the abto the openess of the evil we hate. Here is our strength, the source and promise of victory.

We of the united nations know we know that there are other millions who in their silent captivity share our belief.

We ask the German people, still dominated by their Nazi whipmaster, whether they would rather have the mechanized hell of Hitler's "new" order or-in place of that, freedom from want and from

We ask the Japanese people, trampled by their savage lords of slaughter, whether they would rather continue slavery and blood speech and religion, freedom from want and from fear.

We ask the brave, unconquered people of the nations the axis invaders have dishonored and despoiled whether they would rather yield to conquerors or-have freedom of speech and religion, freedom from want and from fear.

We know the answer. They the united nations are taking that make, Amen."

I am going to close by reading you a prayer that has been written for the united natoions on this

"God of the free, we pledge our heart and lifes today to the cause of all free mankind.

"Grant us victory over the tyrants who would enslave all free bread and salt. Deprive him of all and understanding to cherish all these freedoms and he dies-deprive those who fight for freedom as if him of a part of them and a part they were our brothers. Grant us brotherhood in hope and union, not only for the space of this bitter war, but for the days to come which shall and must unite all the children of the earth.

"Our earth is but a small star less distinction of race, color or theory. Grant us that courage and foreseeing to begin this task of common humanity-the belief today that our children and our in man, created free, in the image children's children may be proud of the name of man.

"The spirit of man has awakened and the soul of man has gone solute unity of our alliance, opposed forth. Grant us the wisdom and the vision to comprehend the greatness of man's spirit, that suffers and endures so hugely for a goal beyond his own span. Grant us that our faith cannot be broken honor for our dead who died in by any man or any force. And the faith, honor for living who work and strive for the faith, redemption and security for all captive lands and people. Grant us patience with the deluded and pity for the betrayed. And grant us the skill and the valor that shall cleanse the world of oppression and the old base docrine that the strong must eat the weak because they are strong.

"Yet most of all grant us brotherhood, not only for this day but for all our years-a brotherhood not of word but of acts and deeds. or, in place of them-freedom of We are all of us chilren of earth -grant us that simple knowledge. If our brothers are oppressed, then we are oppressed. If they hunger, we hunger. If their freedom is taken away, our freedom is not secure. Grant us a common faith that man shall know bread and peace-that he shall know justice and righteousness, freedom an security, an equal chance to do know the answer. We know that his best, not only in our own man, born to freedom in the image lands, but throughout the world. God, will not forever suffer the And in that faith let us march to oppressors' sword. WAKE UP AMERICA!

THE CIVILIAN POPULATION HAS NOT REALIZED THAT WE ARE IN AN ALL-OUT WAR

Thousands of typists, stenographers, and secretaries are needed for defense work. Urgent demands are being made on our school to fill this demand. We are rushing our students through just as rapidly as we can to meet this emergency. We are in need of many more people to train for these defense jobs. Who is willing to help his country in these perilous times?

Our prices and terms are most reasonable. If you want to help your country, get in touch with us. Government jobs pay good salaries.

hoosing A FUNERAL DIRECTOR

In the funeral profession there are many men of professional ability and business fairness, whose knowledge and experience in the service of bereaved families provide invaluable aid at a grievous time. There can be no monopoly in integrity or competence. But in choosing a funeral director it is well to select one whose record of performance is, in itself, a convincing recommendation.
