MRS. GOTTWALS HONORED BY LOVING FRIENDS
It wasn't just another birthday anniversary to be celebrated, but a very special privilege to have the pleasure of attending a silver tea in honor of Mrs. J. Z. Gottwals, the community's oldest and one of its most loved citizens, Thursday afternoon at Fairview Inn. Mrs. Gottwals' 89th birthday comes next April, but on a guess one would have been apt to miss the mark by a good ten years as she looked last Thursday. Although her physical condition is more or less feeble, in appearance her almost four score years and ten of living and 'loving thy neighbor as thyself' seemed to rest lightly on her shoulders as she chatted with friends from her chair before the cozy open fire. Mrs. J. E. Potts and a number of Mrs. Gottwals' friends were hostesses for the occasion and very delicious refreshments were served in the dining room during the afternoon.

MRS. TARRY HOSTESS TO CARD CLUB
Mrs. D. L. Tarry entertained the card club with dessert bridge last Wednesday at the home of her uncle Henry W. Sloan. Dessert was served at the card tables in the library, the tables holding centerpieces of small vases of Sultana. Other flowers from the Sloan greenhouse decorated the rooms. Mrs. Wilton Cobb won high score prize and Mrs. C. C. Potts the traveling prize. Mrs. Robert Hager was a guest-player.

SPECIAL CLASSES AT PRESBYTERIAN CHURCH
Meetings for special study by the Communicants' class of the Presbyterian church, preparatory to uniting with the church, were begun at the Manse Monday afternoon. The book to be studied, "Becoming a Member of the Presbyterian Church," is by Rev. Stuart R. Oglesby, D. D., pastor of the Central Presbyterian church of Atlanta, Ga.

UNION SERVICE ON THANKSGIVING

Coffee Bulletin

Coffee rationing begins at midnight on Saturday, November 21, when there will begin a "freeze" of one week, during which time no coffee may be bought or sold by consumers or dealers. The "freeze" will end at midnight, Saturday, November 28. Consumers will not have to register. They will use stamp No. 27 from their present sugar ration book. This stamp will be good for one pound from November 28, 1942, through January 3, 1943. No one who was under 15 years of age on May 8, 1942, will be entitled to any coffee ration, under the present regulations. These ages may be determined by viewing applicant's stamp book No. 1 for sugar registration.

F. A. EDWARDS BAGS TWO DEER

F. A. Edwards was the only member of the Highlands party to kill two deer during the past week's hunting trip to Summerville, S. C. It is reported that Mr. Edwards took a shot at a deer on the first day of the hunt, which fell short of the desired aim, and that he was required to pay the usual hunter's penalty for poor marksmanship—the partial loss of his shirt-tail. However, Mr. Edwards more than redeemed himself by killing a large and a small buck on the last day of the hunt. Others in the party from Highlands were Postmaster C. C. Potts, J. E. Hicks, and Harry Holt, who came home with only small game to their credit.

Mack Ledford Served As Clerk Of Court 28 Years Ago

We find that we were misinformed as to the length of time since a Republican served the county as clerk of court, as stated in a recent issue. Mack Ledford was the last Republican to hold the office, his term ending in 1916 when he was succeeded by Bill Moore. Frank I. Murray was the next in this office and was succeeded by Harley Cabe, all Democrats. A. R. Higdon, Republican, was elected on November 5. We are glad to correct this error and to give this list of recent incumbents.

SOYBEANS

Soybean crushers have been urged to make every possible effort to facilitate the early processing of frost-damaged soybeans so as to save as many as possible.

If every family in the U. S. returned ten pennies to circulation, the more than 1,000 tons of copper needed to replace them could go to make war weapons.

Were sportsmen, skeet shooters and other marksmen to turn in all their discharged shells and cartridges, they would add more than 2,000 tons of war metals to the national scrap pile.

Bo Henry Writes From Alaska

Mrs. Lester Conley has received the following letter from a Macon county man in Kodiak, Alaska, at the Naval Air Station there, of interest to our readers:
Dear Mrs. Conley:
Just a line or two to let you know that we Macon County boys are in the war up here too. I have been on the base here for a year now. I am the manager of the Seims-Drake Puget Sound Contractor Store here on the station. We do a lot of business with the Army and I used to get orders signed by Captain George B. Sloan here. It was George Sloan from home. We have dinner together quite often and he is expecting another promotion soon. He will get it too. You would hardly know him now. Just thought you might like to know Warren Guest is here in the Navy also.
Tell Mr. Conley hello, and we do like to get the news from there.
Your friend,
Bo Henry

New York's movie organs have played their tunes, except for Hitler. Turned in to the scrap drive, one of them yielded 2,300 pounds of war metals.

ACT FAST - COLD WHEN A COLD THREATENS

At the very first sniffle, sneeze, or any sign of a cold just try a few drops of Vicks Va-tro-nol up each nostril. If used in time, Va-tro-nol's quick action helps prevent many colds from developing. And remember this, when a head cold makes you miserable, or transient congestion "fills up" nose and spoils sleep—3-purpose Va-tro-nol does three important things. It (1) shrinks swollen membranes, (2) relieves irritation, (3) helps clear clogged nasal passages. Enjoy the relief it brings. Follow directions in folder.
