Federation

ffers New Service Of Implement Repair

In view of the shorther of farm implements this year, the Far-mers Pederation is offering a new service. This service will enable farmers to put old and broken al we implements into use.

There are a good many farm

implements of various kinds that movie other form implements lackire some parts which might u wirking condition thy a shell amount of repairs. Then the might scrap to make a crop in a time like this. arm labor is short and every

ne of all equipment possible he to assist the farmers of to secure these re. pairs and thus get such machinery it are main. Sam Nave, the farm machinery man of the Farmers fernilin, will spend February 19

Nove has had 23 years excionec, in farm implements and will be able to help any farmer in Sometimes the my making machines years me out of business, but a stock of repairs will be available, somewhere and Mr. Now will know place to get hold of these repair

accoul errors in making up enters it is suggested that farmparts, also the name of the maker the implement. Thus numbers can be accurately taken off without making any, mistakes,

The Secretary of Agriculture is the farmers of Western North Carolina to step up prodisction this year. Coals have been set for every county and all the r in winning the war.

This remain program of the Fara farmer to make an old implement Farmers will be shorthanded and every usable machine should be put in condition to be used in the field this year.

Men In Service -Continued From Page One

and Mrs. Will Rickman of West's Mill have heard this week from their son, William Rogers, who is a Marine on one of the fighting fronts in the Pacific area. He reported he is safe and well. -*-

Per Don Burnette of Fort Bliss, Texas, has been spending a few days leave with his wife, the former Miss Wyona Potts, and his mother, Mrs. Minnie Burnette of Franklin, Route 2

CAR TROUBLE?...MAYBE THIS IS WHAT HAPPENED!

his car won't start-or a tire has gone flat.

In such a case, what happened tis probably this :- You've followed your peace-time custem of having your engine, battery and tires checked ever so many hundred miles.

You haven't realized that cars (and trucks, too) need a different kind of servicing and checking' nowadays, because you are cutting down on your

These days you must guard against "still wear" that is likely to come to cars in subnormal use.

mospheric conditions-when a and expense.

Most everyone has had the car has been standing idle for exasperating experience on a a day or two-moisture may hurrysome morning of finding condense on sparkplugs - or "points" of the engine.

> While this "still wear" trouble can make starting difficult, the remedy may be quite simple.

> Batteries, too, may falter under today's restricted driving conditions. You may be using you car so little that insufficient power is generated to replenish the power used.

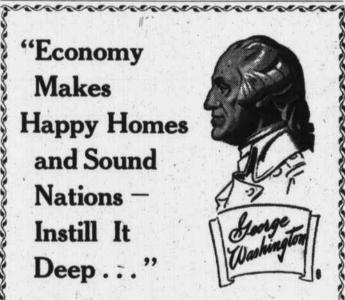

Most important of all: Tires need extra-special care today! They lose air pressure while standing and that can cause needless damage to the fabric. Talk over with your neighboring Chrysler-Plymouth dealer servicing to prevent his "still wear"-helping you avoid For instance-under certain at- inconveniences, loss of time

ueon County War Price and Rationing Board will be open to the public from 8:30 a. m. until 4:30 p. m.

Place Your Order For Wheat Now

With the increased demand for meat of all kinds, farmers should exert every effort to grow out as many hogs, cattle and calves, poultry and produce as much milk as possible. The item of feed is an important factor. The cost of feed will determine to a large extent the profit that can be realized from sale of any kind of live-stock or livestock products.

The Government wheat that is available to the farmers of this county is a mighty good feed for all types of livestock, it is cheaper than corn, therefore it will reof this wheat is expected any day. Farmers should place their order for this wheat immediately at the county agent's office.

SAM MENDENHALL,

Agent.
