Peace I leave with you, my peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. St. John 14:27.

PEACE does not mean the end of all our striving, Joy does not mean the drying of our tears; Peace is the power that comes to souls arriving Up to the light where God Himself appears.

Now, It Is Tin Cans

ABOUT a year ago householders were asked to save their empty tin cans for salvage by the government. Many people have done so, washing and flattening them according to instructions. This Spring the Junior Commandos from the Franklin school collected a number of these.

Now, the first collection will be made by the Coca-Cola trucks and all citizens are urged to aid and cooperate by contributing to the quota expected from this county. Instructions are given in this issue in regard to the collection. The Women's Division of the local Salvage committee has charge of this work. The tin is a vital and scarce material, urgently needed in the war effort.

Macon has never yet failed to reach or over reach the quota assigned for all war contributions. It is hoped that all will get busy to reach this one.
