Workstock Clinic

Announced By Farm Agt For February 22

With the increased demand for more food and feel it is most important that the workstock of Macon county be in good physical condition. For the past two years horse and mule clinics have been held in different sections of the county. Horses and mules are examined free. If it is found that they need treatment for bots, worms or dental work done and the owner wants this work done, a very small charge will be made. Farmers who have had their workstock treated have reported excellent results. Due to the many requests from farmers for the continuation of the work, three clinies will be heid on Tuesday, February 22. We have been fortunate in securing the services of Dr. M. M. Leonard, County Agent.

Pvt. Earl Younce, son of Mr and Mrs. Raymond Younce of Franklin, is now stationed at the JohJn B. Stetson University in Deland, Fla.

Pfc. Robert Dunn, son of Mrs E. A. Dunn, is training with the Army Air Corps at Memphis, Tenn

Chevrolet Dealer Reports Important Meet In Detroit

The continuing need for the utomobile dealer's skilled services to maintain America's transportation system was outlined to more than 500 Chevro-let dealers by William E. Holler Chevrolet general sales manager, at a meeting in Detroit held subsequent to the conven-tion there last week of the National Automobile Dealers Association. W. C. Burrell, owner of the Burrell Motor Company, attended both the NADA so and the special Chevrolet dealer conference.

While the NADA convention while the NADA convention dealt with problems common to all automobile dealers, Mr. Burrell said, Chevrolet dealers conferred with Holler and other Chevrolet Central Office officials on issues of particular interest to their own group.

Praised by Holler for their war-time contributions as special-ists in preserving transportation, the Chevrolet dealers were urged not to relax their efforts in that direction, Mr. Burrell said. The Holler statement, as re-

"Our greatest effort — soldier and civilian alike — lies just ahead, for we are entering up-on the period of our sternest test. Our confidence in our test. Our confidence in our fighting forces must be demon-strated by our resolve to supply the implements of Victory.

-'Chevrolet dealers have made "Chevrolet dealers have made an outstanding record in this respect thus far and today are better prepared and in a strong-er position than ever before to continue doing such a job. I urge them to put forth renewed effort to "Save the Wheels that Serve America"—a "Service for Victory" that carries a top pri-ority today."
