

HELL DIVING'S HIS JOB ..LENDING IS YOURS!

WITH GUNS BLAZING and a prayer in his stout heart, this American fighter is hell-bent on destruction of our enemies. HE is not thinking of how little or how much he's doing to help win the war. For him, the chips are down; but his fighting spirit is as high as the heavens from which his plane is diving.

In cramped foxholes and disease-infested jungles, on sun-scorched beachheads—under and over the seven seas—other Americans are matching his courage. And their name is legion. They KNOW that war is a bloody business; that their lives, as well as yours,

are now at stake. You cannot—you must not—let them down.

Is it asking *too much* of you to back these men up by buying more, and still more, War Bonds? There can be but one answer. You'll find it in your own heart.

And remember, too, as you dig deeper than ever before into your pocketbook or cash surplus, that the Fifth War Loan MUST raise 16 billion dollars. It is the *greatest financing drive* the world has ever known . . . to back up the *greatest invasion drive* the world has ever known.

And Here Are 5 MORE Reasons for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.
