## Robert B. Eskrigge Dies At Franklin Hospital

The death of Robert B. Eskrigge at Angel's Hospital in Franklin on November 6, removes from Highlands another of its very estimable and influential summer residents.

Mr. Eskrigge was born in England. When quite a young man he moved to Australia, and a little later to this country, settling in New Orleans, La., where he was for many years one of the South's foremost cotton buyers for English firms. About 35 years ago he and Mrs. Eskrigge came to Highlands and built "World's End", their present summer home on Satulah Mountain, quarrying the stone from his own grounds for its construction.

In addition to Mrs. Eskrigge, survivors include one son and three daughters, Tatham Eskrigge, New Orleans; Mrs. John Young, Atlanta; Dr. Edith Eskrigge Haines, Columbia, S. C.; and Miss Winnie Eskrigge, of the American Red Cross in

## P. T. A. Sets Aside Fund School Library

The setting aside of \$150.00 from the October P. T. A. Carnival receipts for improving the library of the elementary department of Highlands school was one of the items of interest voted and passed on at the November meeting of the Parent-Teacher Association.

A membership drive was planned at this meeting and the present membership divided into two groups under the leadership of Mrs. Harry Holt and Mrs. Tom Potts, the drive to continue until the end of the year when the losing group will entertain the winners with a supper at the school lunch room.

The November program also included a talk by Mrs. A. W. Pierson on the importance of suitable books for children and considerable interest was manifested in the display of children's books from the Hudson library, arranged by Miss Gertrude Harbison and Miss Dorthea Harbison, librarians. The display by the Misses Harbison included a roll book of Highlands school in 1902. Also on display was a literature and art scrap book by Mrs. C. E. Mitchell showing the annual procedure for 1945-46.

During the social hour refreshments were served by Mrs. Thomas C. Harbison, president; Mrs. Sidney McCarty, Jr., and Mrs. Tudor Hall.

... and suddenly it's **TOMORROW!**

A fighting man steps off a Southern Railway train and his arms form a tight circle around the girl who waited... And suddenly it's "tomorrow!" The long nightmare of war is over... and the world gratefully greets the dawn of a bright new era of Peace.

As we eagerly turn to the welcome tasks of peacetime, let's resolve to keep before us the priceless lessons in teamwork which we learned in time of war.

Let's remember that it was only through teamwork that the Southland accomplished those miracles of production and transportation which contributed so mightily to final Victory.

Let's remember that it is only through teamwork... all Southerners working together and helping one another... that we can continue to build a greater, better Southland.

So, let's keep working together...now that our fighting men are coming home to work with us... now that "tomorrow" is here!
