

IN APPRECIATION
We wish to express our appreciation to the many friends who were so kind to us and for the beautiful flowers sent to the funeral of our son, Wayne Vanhook.

Mr. and Mrs. Roy Vanhook

North Carolina school busses operate over roads of which 24 per cent are hard surfaced, 56 per cent improved, and 20 per cent unimproved. The average number of children served daily by each bus is 70, the State Education commission reports.

Now that spring's in full swing, you'll want to enjoy plenty of daytime playtime. And you can... if you plan easy-to-fix dinners. One of my favorites features spaghetti-meat casserole as the main course and delicious shortcake for dessert. Want the recipes? Read on!

FOOD FORETHOUGHT

An emergency food shelf simplifies cooking no end. And among the wife-savers I always keep on mine are A&P's tasty IONA TOMATOES. Like all A&P's IONABRAND CANNED GOODS, they're Grade C, which means they're just as nutritious as A&P and SULTANA (A&P's A and B grades), but cost less. The chief difference is in size and appearance, so they're ideal for use in dishes like the one below.

CORNER-CUTTING CASSEROLE

Brown 1 1/2 lbs. hamburger and 1 large onion (chopped) in 1 tbsp. fat; add an 8 oz. package of A&P's ANN PAGE SPAGHETTI cooked according to package directions, 2 tps. salt, 1/2 tsp. pepper, 1 #2 1/2 can (3 1/2 cups) IONA TOMATOES and 1 can tomatosoup. Pour into greased casserole; sprinkle with buttered crumbs, and bake 30 minutes in moderate oven, 350° F. Serves 6.

SHORTCAKE IN SHORT ORDER

This is shortcake season at my house, but that doesn't mean extra work for me. My recipe for shortcake is short and sweet—thanks to oven-fresh JANE PARKER POUND CAKE from the A&P. I simply cover thick slices of this light and luscious cake with strawberries or peaches, and top them with whipped cream. Could anything be easier to make... or to take?

FAST FEAST FOR FIDO

When you're having a meatless meal or going out for dinner, don't be like Mother Hubbard! Keep DAILY DOG FOOD in your cupboard, and you won't have to disappoint your dog, come dinner-time. This nourishing canned dog food is ready to eat, and so good that the most particular pup will be ready to eat it at the drop of a can opener. It's available in Fish, Meat or Cheese flavor, and mighty attractively priced at the A&P.

"The Most Important Activity Of The State Government Is The School System"

Charles M. Johnson

Vote For CHARLES M. JOHNSON

Whose Qualifications In State Government Make Him The Best Fitted Man To Be The Next

GOVERNOR of NORTH CAROLINA

1. Salaries: "First of all, I wish to see the State pay salaries that will attract and hold in the State's service the most competent and consecrated teachers. To accomplish this, there must be a substantial increase in teachers' salaries".

3. State School Building Aid: "Some of the surplus now on hand in the State treasury should be used in aiding less fortunate communities, particularly rural areas, to provide adequate school buildings".

5. Additional Progress: "A State School Commission, composed of intelligent and public-spirited citizens, is now making a thorough survey of our state school system, of our educational needs and of our ability to meet them. Its recommendations will have my sympathetic consideration".

2. More Teachers: "We must lighten the teacher's pupil load... A reduction in the pupil load can be accomplished only through the employment of more teachers. This will cost money but it will be money well spent".

4. School Health: "We should have in North Carolina a school health program that will insure to every child in every section, however disadvantaged, a fair chance at a healthy start in life".
