MRS. SHERRILL EDWARDSRET Gibson, Moore Sloan

Win; Slagle Picked By 6 To 1 Vote

5365 Democratic voters of Macon County Saturday picked Mrs. S. Sherrill, Bob S. 894 Florence Sloan, Walter Gibson, Fred A. 510 Edwards, and C. Gordon Moore 564 for membership on the county 1046 board of education, and nominated Carl S. Slagle for repre-966 sentative, by a vote of nearly 442 6 to 1 over his opponent, G. F 454 Burrell. 329

Mrs. Sherrill, former county home demonstration agent, led the school board ticket with a vote of 1,150. Mr. Sloan, serving his first term on the board. was second with 1,129. Mr. Gibson, also serving his first term, ranked third with 1,046 votes. Mr. Edwards, Highlands merchant, received 966, to stand in fourth place. And Mr. Moore, member of the board since 1941 and present chairman, was in

fifth place with 894 votes. The other nine candidates in the hard-fought race for the five-member board of educa-tion, with their official votes, as announced by Chairman J J. Mann, of the county board of elections, were:

14 Frank Browning, present 894

board member, 880. Frank B. Cook, 802. (Unofficial returns had shown Mr. 464 1070 Cook running ahead of Mr. Browning.) E. B. Byrd, present board

member, 786.

Owen Ammons, 579. . M. Raby, 564

Mrs. Margaret Ordway, 510. Clint May, 454. (Mr. May re-ceived every vote in his home

precinct, Nantahala No. 2. Lee Mason, 442.

Luther Jacobs, 329.

Mr. Slagle, Cartoogechaye farmer, who received 1,730 to 309 for Mr. Burrell, will be opposed in the fall general elec-tion by John C. Ferguson, of Franklin, Route 4, Republican nominee.

Members of the board of education do not stand in the general election, but are appointed by the general assembly. While the Republican party also nominates a school board ticket, the assembly rarely, if ever, fails to appoint Democratic boards.

In the two major state races. the majority of Macon County voters cast in their lot with the runners-up. Senator William B. Umstead, who was dethan 20,000 feated by more votes, for renomination by J. Melville Broughton, carried this churches, and other singers, are county by a margin of 176 votes. W. Cerr Scott, who was bested in the governor's race by Charles M. Johnson by a statewide margin of a little more than 7,000, carried Macon by a vote of 1,256 to 953. The other four candidates in the gubernatorial race received a total of 65 votes in this county. Macon Democratic voters will have a second chance to choose between Johnson and Scott when the second primary, called by the latter, is held June 26—four weeks from Saturday. Umstead carried every precinct in this county except for Highlands and Smithbridge. Scott led in all but Highlands, Nantahala No. 1, Burningtown, and Cowee, and in Cowee Johnson nosed his opponent out by a margin of only seven votes. In the other state races, this county gave Dan Tompkins, of Sylva, 1,359 votes for lieuten-ant-governor, and H. P. Taylor, 556. Taylor, of Wadesboro, was

During the month of May, 98 five-gallon cans of cream were shipped from the farms in Macon County. From the price received for this cream, we believe that an average price of eight dollars per can was realized, or a total of near-ly \$800. We consider this a good beginning, when we consider that the first can of cream was shipped from this county less than 18 months ago.
