and will yield no taxes. On the other hand, the pow-er company has told the com-missioners that it proposes to build a \$200,000 building, if it can find a suitable lot in Frank-lin. By selling the lot, a num-ber of persons have afgued, the country would get it on the tax county would get it on the tax books, and also would receive taxes on the new building.

The property, generally known as the Rogers lot, has a front-age of 135 feet on West Main street. Except for a plot 30 x 46, on which the Telephone building stands, it contains two acres. It is the lot which the Franklin Garden club has beautified this summer.

It was bought by the county December 21, 1937, from J. C. Conley and R. B. Slaughter. The purchase price was \$6,000.

Mrs. Crawford was well known not only in Macon County, but friends in many states, had having made them during the 22 years she served as assistant

manager of Kelly's inn and tea room. Though she was a person of strong convictions, inclined to be outspoken in her views, friends said of her that her frankness rarely gave offense, because it was so evident that she loved people, whom she found a source of never-failing

interest. A native of Greene county, Tennessee, she had lived in Macon County since her marriage in 1895 to the late Lon F. Crawford. ## WOOD THIS AREA Mead Firm To Purchase All Hauled To Yard In Franklin

The Mead corporation, which stopped buying pulp wood in February, 1949, has announced that it is resuming activity and will purchase, until further no-tice, chestnut, pine, and other pulp wood, five days a week at

the Franklin yard. The present price on chest-nut delivered to the yard is \$9 per cord of 128 cubic feet, sub-ject to inspection and measurement at the time of delivery. Paul Gates, Kingsport, Tenn., field representative for the Mead corporation, said that the price is about 20 cents lower than the 1949 price, but that there will actually be a savings to those selling wood, since they haul the wood to the Franklin yard instead of to Sylva as in

the past. "At the present time," Mr. Gates said, we will be able to handle all wood that is hauled in."

# Will Unveil **Clay Marker** Friday At 2

The historical marker showing the site of the Macon County clay pit from which Josiah Wedgwood, famous English pottery and china-ware maker, in 1767, obtained clay for his china will be unveiled in a special dedication ceremony to-morrow afternoon at 2 o'clock. The ceremony will be held at the site of the marker, at the intersection of N. C. 28 and Cowee road, about 10 miles from Franklin.

Hensleigh Wedgwood, fifth generation descendant of the English potter, will be a special guest at the ceremony, and will unveil the marker.

Presiding over the exercises will be Dr. Christopher Crittenden, executive secretary of the North Carolina Archives

and History, Raleigh. The invocation will be the Rev. A. Rufus Morgan, and William S. Powell, esearch associate of the N. C. Archives and History, will speak on North Carolina's marker program. Mrs. Sadie S. Patton Hendersonville historian, will deliver an historical address on Wedgwood Clay from Western

Frank Browning, and was unan imous. The board of education also set Thursday, September 7, as the date for the opening of this county's schools and ordered a part of the tract brought for the Highlands school site sub-

divided and advertised for sale. The Highlands tract, bought from Porter Pierson in 1946, contains approximately 17 acres, and between seven and 10 acres, since it is on a hillside, is unusable for school purposes, it was said. It would be usable, it was pointed out, for summer homesites. The property is situ-
