law. We hope that the incoming town council will make this one of their primary objectives.

FOR ALDERMAN
In announcing my candidacy for the Town Board of Aldermen, I do so with a full knowledge of the responsibilities involved, and a humble but sincere desire to help make our town a better, cleaner and more progressive place in which to live and raise our children.

If elected, I shall work in my own small way for recreational facilities, not only for ourselves, but for our summer visitors; new industries that would not be objectionable, for additional pay-rolls; a "clean up" and "keep clean" policy, 52 weeks a year; adoption, after careful study, of a long range city plan, especially for public improvements and utilities; and full cooperation with the Zoning Committee of the Franklin Chamber of Commerce, and adoption, after careful consideration, of an adequate and sensible Zoning Ordinance.

Of course, no one member of the Town Board could possibly accomplish all of these things by himself, but they are some of the things that I am sincerely interested in, and will certainly work for, if elected.

"REAL ESTATE TRADING"

Boys, you "swap and trade" horses in a couple of spits of tobacco, win or lose. Real estate is the biggest field in the world to trade in, make money, and build up a little estate for yourself as you live. Now is the time to pick up a few buys for speculation, for summer market.

Let's get out and look over some good buys; I'll help you chew up a plug of your Reynolds, or get you a good trade. Look-a-here:

Pick this up: 7 1/2 acres, sound cabin, concrete cellar, pasture, stream, fine place for hogs, chickens. Gravel road, \$1350.

New cozy 6 room home out Georgia road way, nice high grounds, long range view of mountain skyline. \$4000.

Fine modern home, 3 bedrooms, huge concrete basement, big porches with "breezy view", 37 acres, bottom land, fish stream, fruits, good out-buildings, nice landscaped grounds. A \$12,000 layout. My price \$9500. Terms.

New cattle range; 100 acres, new grounds added to pasture land, fine bottom land, 2 streams, electric water system, house on knoll, near Prentiss. Yes, a good buy at \$9000. Terms.

Now, this is it! Just what you are looking for: 30 acre cattle range, pretty as a picture, high green knolls, big view of God's country, at no extra charge big
