Here's Plymouth's smart hardtop club coupe, the Belvedere, the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has glistening, lively two-tone colors: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck, giving the car the continental look. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter-panel. The interior is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior.
