P.T.A. Votes To Hold Sale For Band Aid

The Franklin P. T. A., at its meeting October 18, voted to sponsor a harvest sale November 20, the proceeds to go to the Franklin School band.

The event is to be held at the East Franklin School, and that school's P. T. A. has accepted an invitation to cooperate.

The plan calls for the parents of each school child to send some item - potatoes, apples, pies, cakes, automobiles tires, or any other useful articles - to be auctioned at the sale. The project was explained by Mrs. Frank Killian.

The program dealt with the Franklin Garden Club's "Don't Be a Litterbug" campaign. Mrs. R. R. Gaines made a brief talk, and nine children, who designed their own costumes, presented a skit. Those taking part were John Killian, Ann Hall, Buddy Ledford, Linda Morrow, Larry Dryman, Billy Joe Hurst, Linda Smith, Fred Bulgin, and Ann Fassg.

Mrs. Holland McSwain, the association's delegate to the recent parent education workshop at Montreat, reported on that meeting. Mrs. Fred Vaughn, membership chairman, reported \$92 raised in the drive for members. First prize for getting members went to Paul Cabe, and second to Stevie Brown.

Mrs. J. A. Flanagan led in the singing of rounds, and the Rev. Bryan Hatchett conducted the devotional. Edwin Williams was program chairman, and Mrs. E. W. Renshaw, president, presided.

Gets Scholarship

Miss Barbara Gribble, a senior at Western Carolina College, Cullowhee, recently was awarded a scholarship by the Savannah Bank and Trust Company. It has been learned here.

She is the daughter of Mr. and Mrs. Jack Gribble, of Franklin, Route 2.

Low... and behold!

The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car—and just look what happened!

NOW BEING SHOWN!

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V-8 as only the valve-in-head leader can build it!

8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

6

You can choose from two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

The motoramic Chevrolet

More than a new car—a new concept of low-cost motoring!
