MOST Modern V8 FOR YOUR JOB!

NOW...THE SHORTEST STROKE V8's

IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most modern V8* engines with an ultra-short stroke for longer life—plus all these great advances.

Modern 12-volt electrical system

You get double the punch for quicker starting and more efficient ignition plus a greater electrical reserve.

Gas-saving high-compression ratio

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power out of every tankful of gas.

New aircraft-type valves

Each valve functions independently—as in modern aircraft engines. Valve action is more positive.

Floating oil intake . . . full-pressure lubrication

Intake selects the cleanest oil for full-pressure engine lubrication.

*V8 standard in the new L.C.F.'s, an extra-cost option in all other models except Forward-Control.

EVEN THIS SCENE of the razing of the old Masonic Hall on Church Street is now a part of history. The picture was taken last week, but today only a pile of rubble marks the site of the historic old structure, which has bowed out of the Franklin scene after nearly 80 years to make way for a new hall.

Challie M. Dills

Funeral services for Challie M. Dills, 38, mechanic and Macon native who died June 12, were conducted June 15 at the Sugarfork Baptist Church.

Born April 29, 1917, Mr. Dills was the son of Mr. and Mrs. Homer Dills, of Franklin, Route 1.
