As a charter member, she was active in the formation of the Franklin Garden Club in 1928.

Zion Methodist Church, of which he was a member. Officiating were the Rev. Robert Goldson, pastor, and the Rev. A. Rufus Morgan, Episcopal rector. Burial was in the church cemetery.

Only 3 Fires On County Land Reported By Bryson

On county land, only three fires were reported in the last six months of 1955, according to Ranger J. Fred Bryson.

All three were small and burned over only eight acres, he said.

However, Mr. Bryson said this is attributed to the fine cooperation of citizens and the efficiency of the forest fire suppression organization in the county.

The first fire was in Septem-

ber in the Burningtown section. It burned 1.2 acres.

In November three acres of land was burned over in the Wayah area.

On Christmas Day, 3.6 acres went up in smoke on Saldeer Branch in Burningtown.

Despite unseasonably dry weather in January, only two small fires broke out on county land. The ranger reported one in Harrison Cove and another at Fouts Gap in the Iotla section.
