## Pic-Tours of Europe

Visitors to **NORWAY** enjoy riding Old-World *Stokjaerre* carts up to the scenic *Briksdal Glacier*. Sturdy fjord horses, pulling the carts, have "low-gear power" for the steep mountain roads.

January and February are Carnival months in **EUROPE**. Colorful *Mardi Gras* parades and costume balls make this a gay time for transatlantic holidays.

Spring comes early in **PORTUGAL**, making this flower-filled country an ideal starting point for early European vacations. Prices are low, too, with good hotel rooms from \$4.00 daily with meals.

## MEN THANK COMMUNITY FOR HELP

**President Reads Letter; Agents Discuss Outlook; Demonstration Given**

By **MISS MILDRED CORBIN**
