**Just to Remind the Motorist . . .**

We have the latest in Recapping Equipment that has been made since tubeless tires came out.

This isn't a new mat but completely new equipment that has electronic heat control. This is the latest, and really necessary for good full capping.

If your present tires need capping put new Goodyear treads on them, and if you need new tires we have the Nylon Gates.

If it's tires or troubles with heating or leaky radiators come to see us and we will send you away trouble free.

**Did You Ever Confess Your Sins?**

Coming before God with an humble and contrite heart and asking God's forgiveness is an act that bothers some folks.

Episcopalians believe it's a part of being a Christian. We believe it's important enough to go beyond the few words of confession contained in the Lord's Prayer.

You don't agree? All right, think of it in this way.

God has given us a way of life. Our Lord said, "Thou shalt love the Lord thy God with all thy heart, with all thy soul and with all thy mind. This is the first and great commandment. And the second is like unto it, thou shalt love thy neighbor as thyself. On these two commandments hang all the law and the prophets."

If we haven't done these things — as positive action — we have sinned against God and man. And we need God's forgiveness.

How do we get it? We ask for it.

In every service in an Episcopal Church you'll find the entire congregation on its knees asking God's forgiveness and receiving from the priest the assurance that God does forgive. Private confession to your priest isn't required, but it's there if you desire this means of grace and definite assurance of forgiveness.

Why don't you join us, in the Episcopal Church? You'll find that "confession is good for the soul".

**Macon County Building & Loan Association**

ESTABLISHED 1922

We pay you, who want a sound investment, with a good return 5½ per cent on the money which you leave with us to invest.

We lend this money at 6 per cent, secured by a first mortgage on Macon County real estate. No loan is made for more than two-thirds of the appraised value of the property securing the loan. Our appraisers are always men of sound business judgment, who are familiar with local business conditions.

The difference of 2½ per cent is used to defray the current operating expenses of the association, including rents, salaries, bookkeeping equipment, stationery, advertising. The balance is passed to the reserve for your protection. At this date, the reserve is over \$45,000.00.
