MACON MAN'S BATTERY WINS AWARD TWICE

Capt. J. E. Peek's Guided Missile Unit In Texas Honored

Capt. James E. Peek, son of Mr. and Mrs. R. S. Peek, of Franklin, Route 2, is commanding officer of a prize guided missile unit at Ft. Bliss, Texas.

Officers of the fort decided to establish an award, to be given monthly, for the best-battery size unit at the guided missile center. The award is based on morale, discipline, security-mindedness, and overall excellence of training and appearance.

The first month the award was presented it went to the unit commanded by Captain Peek, "E" Battery of the 2nd Guided Missile Battalion. When inspection teams had finished checking the units for the second month's award, they again chose Captain Peek's battery.

The captain is a veteran of 13 years' military service, part of it with the Marines and part with the Army. He has been stationed at Ft. Bliss for the last seven years.

He is married to the former Miss Idalene Roberts, of Lowell, N. C. They have two children, a boy and a girl.

IN MEMORY OF LITTLE DONNA WELCH
 Little Donna is not dead, she is just away. And we know we will meet her some glad day. It was so sad to see her go, we miss her so. Sleep on, sweet babe, and take thy rest. God called thee home, He thought it best.
