## MISS BETTY JEAN ALLEN MARRIES JERRY LOVE AT COWEE PARSONAGE

Miss Betty Jean Allen, daughter of Mr. and Mrs. William E. Allen, of Franklin, Route 4, and Sp. 2 of Jerry J. Love, son of Cecil Love, of Franklin, and the late Mrs. Love, were married Thursday, Dec. 27, at 4:30 p. m. at the Cowee Baptist parsonage.

The Rev. Clyde Rhinehart, pastor of the Cowee Baptist Church and pastor of the bride, performed the double-ring ceremony, in the presence of the immediate families.

The couple was unattended. The bride was attired in a blue knit jersey dress with which she wore black accessories. Her shoulder

corsage was of white carnations.

Mrs. Love is a graduate of Franklin High School, Class of 1956, and is employed at Franklin Hosiery Company.

Mr. Love is a graduate of Franklin High School, Class of 1953, and was salutatorian of his class. He attended the University of North Carolina and was a member of the Men's Glee Club. He entered the U. S. Army in August, 1954, and has recently returned from Germany where he spent 18 months. He is now stationed at Fort Jackson, S. C.

After a short wedding trip, the

bride will remain here and the groom will return to his duties at Fort Jackson.

## Moore's On Three-Week Trip To California

Mr. and Mrs. Fred S. Moore, of Franklin, Route 1, and their daughter, Miss Margaret Moore, of Charlotte, are on a three-week trip to California.

They plan to visit Bill Waldrop, son of Mrs. James Hauser, who is in the U. S. Navy Balboa Hospital in San Diego recovering from injuries received in an automobile accident some time ago.

The Moore's son, Dan, went with them to the coast. He has been stationed with the U. S. Navy in Maryland and is being transferred to Hawaii.

North Carolina tops all states in the nation in output of wood furniture.

## ON MACON BYWAYS

By ROLFE NEILL

COMMENTING ON an idea advanced here, John Wasilik, Jr., writes:

"In a recent issue of The Press you suggested that Thanksgiving be moved to Friday so that you may have a longer week end. But 30 million or more Catholics could not eat turkey for Thanksgiving because Catholics cannot eat meat on Friday. This is because Christ died on Friday and in His respect no meat is eaten on Friday."

AT THE town board of aldermen meeting last week there was a discussion about the county and town buying radio communications equipment, with the Federal government putting up half the money. In return, the radios would be turned over to the government for use in any emergency.

Mayor W. C. Burrell observed that Franklin is midway between the hydrogen plant in South Carolina and the atomic plant in Tennessee. If bombs fell on either of these places we could expect a stream of refugees. Radios would be one of the facilities needed.

"It would be worth everything they cost, in my opinion," said the Mayor.

No man is an island. Neither, in the days of missiles, super bombs and all, can a town or county be an island. In the next war, those who are bombed may be better off than those who are not—their end will be quick.

ONE OF the happiest scenes I saw during the Christmas holidays was near Siler City. A Negro child was tripping along the roadway, strumming an old cardboard tie box as if it were the finest banjo in Chatham County. There's

hope for all of us, as long as our imaginations stay active.

GOOD FENCES make good neighbors, poet Robert Frost once wrote. (Incidentally, it's a line which has been quoted back to him so many thousands of times that he says he's sorry he ever wrote it.)

The other day I came across an earlier version of that thought. It was by Nathaniel Macon, for whom this county was named and one of North Carolina's ablest leaders. Nat advised his neighbors never to live close enough to one another that they could hear their friends' hounds barking.

CARTOOGEE-JAY-BIRD, sprightly monthly paper of that community, gave its jay a handsome coat of red for the Christmas issue. I doubt that even the Rev. A. Rufus Morgan has ever seen a red jay bird.

And this, from a recent issue of the Cartoogechaye paper: "Although Macon County went Republican, there is at least one staunch Democrat who still has faith in the party. He is Mrs. Southard's parakeet 'Jo-Jo', who says all the time, 'I'm a Democrat'."

FOR THE out-of-county folks who own property in Macon County, a couple of taxlusters had compliments last week.

Raymond W. Wood, of Sugarfork township, and Mrs. Bryan Setser, of Cartoogechaye, agreed that the non-resident people were both cheerful and prompt about paying their taxes. In both Mr. Wood's and Mrs. Setser's townships, a good bit of property is owned by out-of-county people.

"IF YOU could give us a fund of \$100,000, we could get the county some mighty good land awfully cheap," S. Gay Sutton joked at the listers' meeting.

"Yes," said J. C. Saunders, "it's surprising how little some folks think the worth of their property is when they come to list it. But try to buy it at that price!"

Mr. Sutton lives in Clark's Chapel and Mr. Saunders on Cowee.

FROM JOE Jones' column in The Chapel Hill Weekly:

Did you hear about the woman taxpayer who sent a letter to the state revenue department saying she cheated on her income tax 10 years ago and had slept poorly ever since.

She enclosed \$25 and said, "If I don't sleep well now, I'll send the rest."

More than 680,000 anglers and hunters enjoy the forests of North Carolina each year.

# Whistle Bait with a Wondrous Gait

(Just try today's Instant Dynaflow!)

NO MATTER what make of car you're "going with" right now—here's one that will spark a new love light in your eyes.

This Buick's a fresh new beauty in looks, in lines, in sweeping contours. And a beauty in other ways as well.

Even for a Buick, this one's a joy and a treasure in the road-wise way it handles. In the way it levels with you on the turns. In the way it holds up its head whenever you give it the brakes.

But your longest whistle of sheer delight comes when you head this honey out of town and put it through its paces on the expressways and byways.

That's when you discover the exhilaration of power-pitch performance. When you fully appreciate the smooth and immediate response of the latest, greatest version of Variable Pitch Dynaflow—*instant* Dynaflow.

Yet this performance is more than a matter of transmission advances.

There's a whopping new 364-cubic-inch V8 engine to give it life. With 300 horsepower, 400 foot-pounds of torque, and 10 to 1 compression.

There's even more to keep you smiling—150 other brand-new features.

Including fresh decorative touches, new colors and interior trim combinations—and, of course, the extra safety and security of Buick brawn and ruggedness and solidity of construction.

So come in and go stepping with a new 1957 Buick. Today.

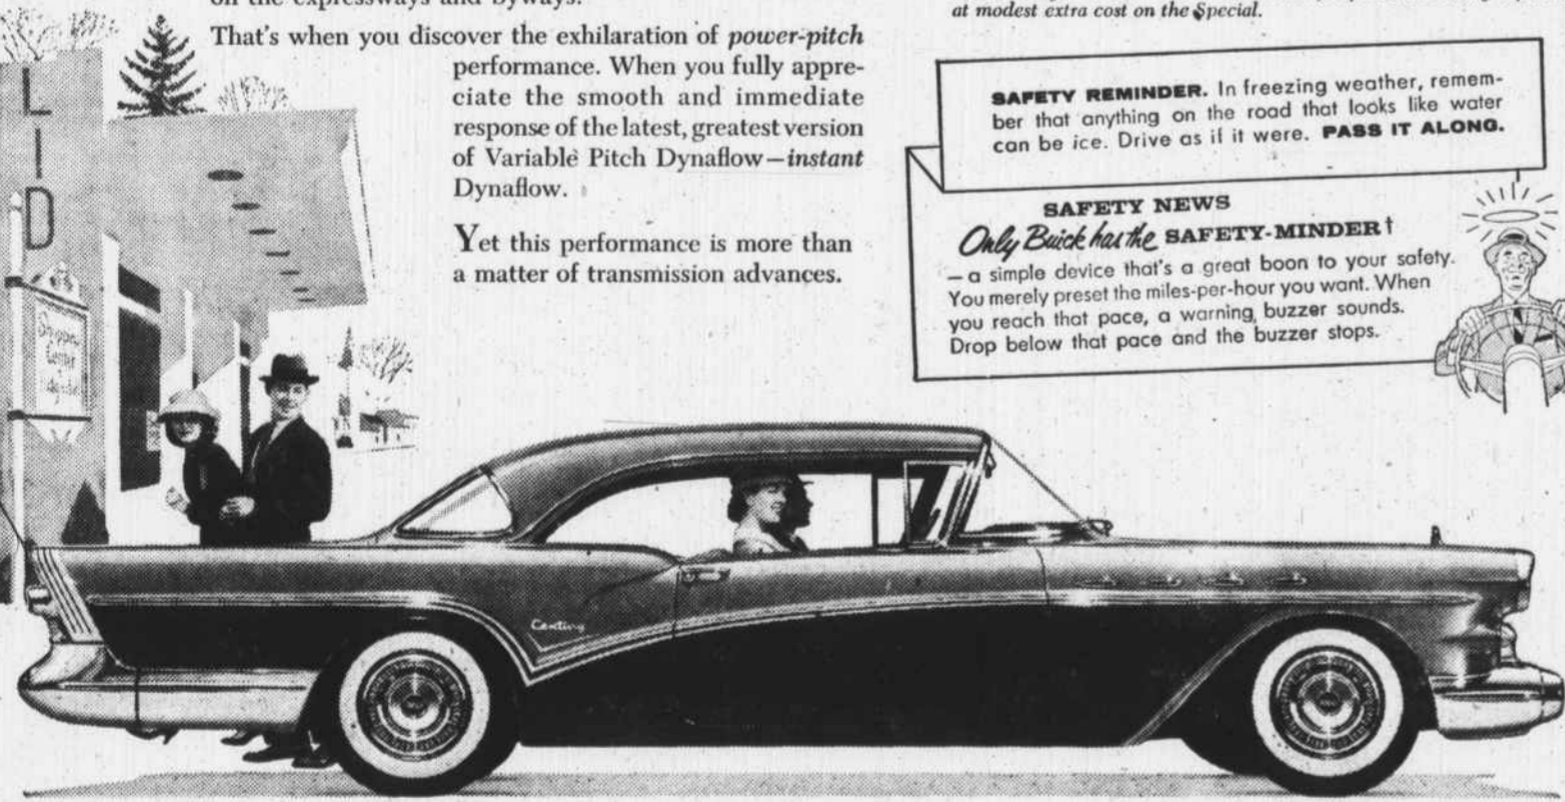

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**SAFETY REMINDER.** In freezing weather, remember that anything on the road that looks like water can be ice. Drive as if it were. **PASS IT ALONG.**

### SAFETY NEWS

Only Buick has the SAFETY-MINDER!

—a simple device that's a great boon to your safety. You merely preset the miles-per-hour you want. When you reach that pace, a warning buzzer sounds. Drop below that pace and the buzzer stops.
