

### Tippett Boy Back In School, Proud Possessor Of Cap Doctors Took From His Lung

Eddie Tippett went back to school Monday, and with a souvenir taken from deep within his right lung.

It is a small metal cap which he accidentally swallowed while playing last week. To retrieve the cap, Eddie had to go to a specialist at Ponce de Leon Infirmary, in Atlanta.

Bob Conely drove 13-year-old Eddie and his father, J. Lee Tippett, to Atlanta Monday night of last week. "It was no easy job," Mr. Tippett declared, "with all that New Year's traffic pouring out of Atlanta coming this way."

Doctors first tried to get at the cap with a magnet. This didn't work. They discovered why, after they had taken it out with a pair of forceps; the cap is made of aluminum, which won't respond to a magnet.

The boy stayed in the hospital until Wednesday of last week, when he returned home. The doctor recommended he remain at

home for the rest of the week. Eddie's father reports his son "wouldn't take anything for that cap." Eddie is in Mrs. Theo Kiser's seventh grade at Franklin Elementary School.

### Miss Morrison In Hospital After Accident

Miss Dixie Nell Morrison, daughter of Mrs. Harley R. Morrison, of Cowee, received a slight concussion, face lacerations, and numerous bruises early Monday afternoon when the car she was driving left the road and overturned at Cowee School.

The accident occurred on the road leading off N. C. 28 in front of the school.

She is a patient at Angel Hospital. Her physician, Dr. C. H. Moseley, said he expects she will be discharged the middle of next week.

Details of the accident are sketchy. Miss Morrison, who was riding alone, told Dr. Moseley she remembers nothing about the accident.

Miss Morrison was on her way home at the time of the accident. She was going to bring her mother to town. Since March, Miss Morrison has worked as a cashier at the Winn-Dixie Store in Franklin.

### His foxhole faith stayed with him...

It's been told many times how there were no atheists in the foxholes.

Faith under fire was quick, complete, uncomplicated and unquestioned. Fortunately, many who found faith under these conditions kept it—even after the firing stopped and the last troopship docked back home.

Like much of the hard wisdom learned in war, the faith developed in battle has been put to wider, wiser

use in the years that have followed.

It has spread outward now... to the family, giving them the strength needed to weather the long, hard pulls and the short, sharp adversities.

That strong family faith and stronger richer life it brings are never built better than now... are never built surer than when you worship together regularly—every week. Remember! It's your faith... your family!

Build a stronger, richer life... worship together this week

FOR RENT — A very nice four-room house, 1 1/2 miles South of Franklin on U. S. 441, but you would not want to rent it. Besides, it might be as long as I would want you to stay, anyhow. Actually, I do not care whether you rent it or not, but come by and say "Howdy" for you are my neighbors, and the word is "Choice." ★ 35-ACRE FARM ★  
Nicely located on a State road that has mail delivery, and just four miles from the Court House. This property has a really good twelve-year-old house, containing seven rooms and bath, two delightfully large porches, concrete basement, and an excellent water supply. There are five acres of rich cultivating land, 20 acres in improved pasture, and the balance in timbered woodland. It has over 30 assorted fruit trees, lots of grapes, good barn, chicken house, etc. A large stream flows through this lovely property, and the view from the house is truly spectacular! The house alone would cost at least \$14,000 to build today. However, I have the entire property for sale at a low-down price of only \$10,750! Someone will surely take advantage of this fine offer, and that someone could very easily be a guy named Bill — from Lakewood, Ohio!
