MANY OF HOUSE NUMBERS STILL UNCALLED FOR

Lions Ask Franklin Folk Who Haven't Bought Numbers To Do So Now

About one-fourth of the town's residents have not yet got their house numbers and Lions Club officials this week asked that they do so as soon as possible.

The numbers are being held at the Western Auto Associate Store by Lions Verlon Swafford and R. Roy Cunningham. The numbers are being sold by the club, and not by the store, Mr. Swafford emphasized.

Club officials ask that those who have bought their numbers but not yet put them up, do so.

House numbering is one step in a Lions Club project to get home delivery of mail for Franklin.

Miss Jean Phillips Faces Second Phase Of College Scholarship Competition

Miss Jean Phillips, 17-year-old daughter of Mr. and Mrs. Nat Phillips, of Franklin, Route 5, who wants to be a school teacher, faces a difficult examination Saturday, in Asheville.

It is a three-hour college board test to determine if she will be one of the finalists in the National Merit Scholarship competition.

Miss Phillips was one of 162,000 seniors throughout the United States who took the original college aptitude examination in October. The test was given the 21 top members of the senior class of Franklin High School, of which she is a member. She is the only Macon County student to survive that phase of the elimination.

Should she remain in the running after this week end's test, Miss Phillips will be one of about 7,000 seniors eligible for some 700 scholarships covering a four-year college education. The winners, to be chosen on the basis of their test scores and personal records, will be announced about April 25.

The scholarships vary from \$100 to \$2,200, depending on the financial need of the student. The program is underwritten by basic grants from the Ford Foundation and Carnegie Corporation, with other stipends coming from leading American industrial concerns.

It is designed to search the nation for those students most able to benefit from a college education, regardless of means.

Miss Phillips is in the home room of Mrs. Ann Biddle, of Franklin High School.
