**Cowee Group Talks Projects, Has Spelling Bee**  
 By MRS. GEORGE BYRD (Community Reporter)

The Cowee Community Development Organization discussed and acted on a number of projects at its monthly meeting Thursday night of last week.

Fred McGaha was put in charge of seeding the banks at the school grounds. It was decided to set more shrubbery on the grounds in February or March. The president asked anyone having shrubs they would like to contribute to see him.

Ed Brodgen was asked to see Clark Walker, assistant agent, concerning a 4-H forestry project on the school wood land.

Following a discussion of the need of a small shed to cover the pump at the picnic area, the president, Bill Raby, named Lyle Raby to see that the shed is built.

Reports on religious activities were made from Cowee Baptist Church and Snow Hill Methodist Church. Christmas programs were given at all three churches in the community. The Baptist Church reported it has purchased a typewriter and a mimeograph machine. Bible study is being held each Wednesday night. Snow Hill church reported it had presented Christmas gifts to the family of the pastor, the Rev. Paul Heafner, the Sunday school superintendent, John Hurst, the church secretary-treasurer Leo Hurst, and the retiring youth counselor, Mrs. C. N. West.

Miss Josephine Roper had charge of a spelling match, in which the ladies' side proved best spellers. Mrs. Fred McGaha remained standing longest.

President Raby presided, and Miss Roper conducted the devotional.

**Driver Charged, Following Wreck Here Sunday Night**

Howard Mitchel Henry, of Franklin, Route 5, was charged with following another vehicle too closely Sunday night after his 1952 Chevrolet skidded 79 feet on Palmer Street's wet pavement and crashed into the rear of an auto driven by Richard Mashburn, of Franklin.

State Highway Patrolman H. T. Ferguson, who with Franklin Police Chief C. D. Baird investigated the accident, said total damage to the two cars was about \$200. No one was injured, the patrolman said.

From the skid marks, Patrolman Ferguson estimated Mr. Henry was traveling about 35 miles an hour in the 20 m.p.h. zone. Mr. Mashburn was preparing to turn into a driveway at the foot of East Palmer Street hill when his car was hit.
