Dun And Bradstreet Are Requesting Statements From More Than 150 Here

More than 150 Macon County businessmen this month will receive Dun and Bradstreet requests for their annual financial statements, which will statistically reflect growth and industrial development here.

The Macon County section of the current issue of Dun and Bradstreet reference book contains listings of 181 local names, comprising manufacturing, wholesalers, and retailers. The 181 names represent an increase of three per cent in comparison with those listed in 1954.

Dun and Bradstreet listing does not include some of the service and "professional" businesses like barber and beauty shops, real estate and stock brokers, so the figure for businesses here is actually higher.

LIST YOUR PROPERTY NOW

THIS IS APPRAISAL YEAR; Property Values are Subject to Change.

NOTE: It is compulsory that all automobile owners, regardless of age, list their cars to save being penalized.

Tax listers will be at the following places in the various townships on the dates given to list property for the year 1957.
