

Tired after a hard day, one of the new congressmen in Washington handed the menu back to

the waiter and said: "Just bring me a good meal!"

A good meal was served and the congressman gave the waiter

a generous tip. "Thank yo', suh," the waiter said. "And if yo' got any friends what can't read, yo' jus' send 'em to me, suh!"

Firemen Called To Grass Fire On Memorial Hill

The Franklin Volunteer Fire Department answered a 1 p. m. call Friday and put out a grass fire which threatened the Roy M. Biddle residence on Slagle Memorial hill.

Firemen said the fire apparently spread from a metal incinerator barrel, located on a slope beside the Biddle home.

Mrs. Biddle said she never used the incinerator and did not know why there was a fire in it. Away at the time of the alarm, she said she had not been home all morning.
