#### FRANKLIN TIRE SHOP

CLYDE PENNINGTON, Owner

# BLARNE

By A Brady Called J. P.

How about those hats (?) the lovely ladies of our civilization are

Just for kicks (and that's probably what I'll get from offended females) I've been spending the past few months observing wom-Hill, in Asheville, in Charlotte, and

My careful research has led me to place the multitude of headwear under the following general

THE EIGHT-INCH PIE PAN: A very popular number with all sizes and shapes. Very impractical, how-A fellow uninitiated to this lat- ever, for carrying water from a est phase of millinery madness is creek to an overheated auto radia-

POP'S OLD SOCK: A toboggantype chapeau of varying lengths that droops dejectedly down the as he usually does in controversial neck of its wearer. Usually has a situations and make snide remarks fuzzy little ball attached to the toe of the sock, Anyone in the friends. Either avenue can lead to vicinity of the hat is in constant a strained connubial relationship danger of having an eye knocked out while the gabby female swings her head back and forth in conversation.

GARBAGE CAN LINER: For the woman who detests letting her en's hats — in Franklin, in Chapel hair down every day. Does such a complete job of covering the head. the wearer can go undetected in curlers for weeks at a time. Women also favor the Garbage Can Liner for its framing effect on the face.

> THE SPANIEL'S TAIL: A strip of fur that closely resembles the hind end of a bird dog who has just emerged from a creek.

CHROME HUB CAP: A flashy perch-like lid favored by extroverts and 40-year-old women who think they're 25. Guaranteed to draw a crowd anywhere on the strength of reflection alone.

THE COLD STOGIE: This hat lays along the part. Although disguised in a variety of hues, it nevertheless always resembles a soggy cigar.

THE COMBAT HELMET: Nazitype, with ear flaps. Favored by those of the middle class poor trying to climb higher.

BUNNY TAIL: A little puff of fur, very hard to detect, for women who don't like to wear hats. but, in the interest of etiquette must conform.

THE BANANA PEEL: An almost self-explanatory number that can be worn with from one to three sections hanging over the fore

THE DEAD ROOSTER: This classification covers all chapeaus in the fowl class, from pert sparrows, to fierce eagles, and pigeons with olive branches in their beaks.

After reading Blarney's take-off last week on Tobacco Chewing, a lost art, Mrs. June Huscusson hastened to the telephone to assure that so long as her husband, Gene is alive there'll be a spark left in

She says hubby Gene is a purist when it comes to this sport preferring to just sit and chew

Brady's

drawn between two fires. (1) to tor. follow his natural impulses and pitch his wife's hats out the window, or (2) to bend with the wind about her hats in front of her and cold eggs in the morning.

classifications:

THE TOADSTOOL: This odd little number is favored by tall. skinny women whose small necks form trunks for the toadstool effect of the dripping felt creation perched on their heads.

The Franklin Press and The Highlands Maconian THURSDAY, FEB, 28, 1957 PAGE SEVEN
