IN WINSTON-SALEM -

Miss Roberts Marries James Swafford

Miss Betsy Owen Roberts, daughter of Mr. and Mrs. Frank Roberts, of High Point, was married to James Robert Swafford Saturday, January 18, at 7 o'clock in the Davis Memorial Chapel of the Baptist Hospital in Winston-Salem.

Mr. Swafford is the son of Mr. and Mrs. C. S. Swafford, of Charlotte, and the grandson of Mr. and Mrs. J. H. Swafford and Mr. and Mrs. R. L. Poindexter, of Franklin.

The bride was graduated from High Point High School and is a member of the junior class of the Baptist Hospital School of Nursing. The groom is a graduate of Harding High School in Charlotte and Gardener-Webb Junior College at Bolling Springs. He has attended Charlotte College and is a pre-ministerial student at Wake Forest.

Baptist Hospital Chaplain George Colgin performed the ceremony. Wedding music was presented by Miss Patsy Wall, soloist, and Miss Mary Marshall, organist.

The bride, who was given in marriage by her father, wore a gown of rose point lace over taffeta with a fitted jacket which had a peter pan collar and was trimmed in pearls. Her waist-

length veil of illusion was attached to a Juliet cap of seed pearls. She carried a bouquet of pink bridal roses centered with an orchid.

Mrs. Randy Burgess, of High Point, was matron of honor. She wore a waltz-length dress of light blue chiffon with a deeper blue velvet cummerbund. Her headdress was a bandeau of dyed to match leaves with a circular veil. She carried a nosegay of white carnations.

Dan Moss, of Gastonia, served as best man. Ushers were John Young and Keith Childers, both of Charlotte.

AT CARTOOGECHAYE -

Mrs. Potts, Superintendent Of Welfare, P.-T. A. Speaker

Mrs. Eloise G. Potts, superintendent of the Macon County Department of Public Welfare, was guest speaker at the January 21 meeting of the Cartoogechaye P.-T. A.

In discussing juvenile courts, she stressed that someone has failed to perform a duty when it is necessary to resort to laws to control children. Mrs. Potts placed the responsibility in the hands of parents, schools, Sunday schools, case workers, and the public in general. She also pointed out the need for more special education classes, particularly for the above-average child, who becomes bored if held back and sometimes gets into trouble.

The P.-T. A. discussed purchasing playground equipment as a project. A committee was appointed by Mrs. Julian Madcox, president, to study the proposal and report at the next meeting.

Mrs. Swafford's fifth grade

took part in the devotional and also won the room count. The teachers served refreshments.

What better return on gilt edge security than 4 per cent, payable semi-annually?

What better security than first mortgage on Macon County real estate, conservatively appraised, where the loan cannot exceed two-thirds of its appraised value, with a monthly curtailment of the principal?

What better investment than the building of homes and improvement of homes in Macon County, which must necessarily add to Macon County's tax valuation, thereby adding to the amount of revenue needed to operate the county schools and the county government?
